WINTER SCENE AT HAMMOND HIGH SCHOOL

Miss Mary Burhans Retires

It's easy enough to say . . . just "goodbye and we're sorry to see you go" . . . and maybe to mention that we didn't mind modern problems so much after all . . . but, honestly, with all the kidding we do about our teachers, it's sort of a blow to see one of the down-right best of them all leave after thirty-nine years . . . during which time she has watched three supervisors and three principals take their positions in school management . . . it's like losing a tradition, an actual part of the school, something basic . . . The old school won't be the same . . . that's how we all feel . . . We seniors coming back will feel the absence of Miss Burhans . . . we'll miss a small lady with books piled in her arms, smiling at us in the hall as she passes . . . we'll miss her energy, her busyness, her detailed knowledge of everything from ancient history to current events . . . we'll remember her greatest contributions to our school . . . her position as head of the history department for the greater part of the years she's been teaching in this school . . . her sponsoring of the first Hammond High School Association . . . her work as sponsor of the Senate for seven years, as well as her constant activity in House and Senate affairs during the rest of the time . . . her last contribution as the head of the Association Committee . . . And with all these services to the school, the years of bringing boys and girls to further knowledge and appreciation of the world in which they live, she can remember and say: "I look back with great pleasure on my years of teaching in Hammond High, for they have been immensely worthwhile" . . . We're looking back with you, Miss Burnhans . . . viewing your success as a teacher and a person . . . and we feel pride in having known you and regret in saying . . . "goodbye and we're sincerely . . . sorry to see you go . . ."

Hammond High School Through The Years

COMPILED BY MARILYN MCLEAN

We wish to express our appreciation to Mrs. Howard Easter, Mr. R. G. Rupp, Mrs. William Barden, Mrs. W. A. Hill, and Mrs. O. C. Matthies for their cooperation in the preparation of this history of Hammond High School.

Hammond High School was organized in 1884 with only a few students doing freshman work. The course offered was but three years in length, and included comparatively few subjects. The curriculum for the freshman year was algebra, physical geography, English composition, and civil government. The subjects embraced in the second year were algebra, English composition, physiology, and physics. The third year consisted of rhetoric, general history, geometry and botany.

Superintendent W. C. Belman did most of the teaching for many years. His policy was to give a more thorough and comprehensive study of a few subjects instead of a scattered knowledge of many subjects. The subject most concentrated on was English—composition and literature.

In June of 1887 the first graduation exercises were held in the Hohman Opera House. Three young ladies constituted this class—Edna Smith, Clara Mashino, and Sarah Martelook. Two of these women are living at the present time. On the Friday evening following the graduation the faculty entertained the class at a reception, and on Saturday the three women met and organized the Alumni Association. The present membership of the Alumni Association, in comparison with the initial membership, is approximately eight thousand.

In the fall of 1890 W. J. Maxwell was made principal of Hammond High. By this time the en-

rollment had increased to about twenty-five, thus making it necessary to convert the superintendent's office into an assembly room. The room which accommodated the seventh and eighth grades and the high school was divided so as to form a recitation room for the high school students.

During those years there were no library or laboratory facilities—everything depended on teacher and text-book.

The class of 1892 was the largest one up to that time—seven in number. Previous classes had an average of three members each.

In the spring of '93 the old frame building on the corner of Hohman Avenue and Fayette Street was begun. This building was later moved to Russell Street and is now occupied by Technical-Vocational High School students.

For a whole year, while the new school was being built, the high school classes met in various

churches and halls. In 1893 Mr. W. A. Hill was elected principal, and an additional teacher was appointed.

In March, 1894, the high school moved into its new building, complete with library and laboratory advantages. Thirty pupils were enrolled, although the assembly room was capable of seating one hundred twenty people. The eighth grade was also seated in this room. In 1894 the first class to complete the four-year course graduated, exercises being held in the high school auditorium. From 1895 to 1897 no boys were graduated from the school, and again in 1900 the class was made up entirely of girls—six of them.

School spirit increased and more extra-curriculum activities were introduced after the new school was built. Courses in Latin, German, bookkeeping, and stenography were instituted also. By 1906 the student body was made up of one hundred thirty-six pupils, and nine teachers comprised the faculty.

In 1908 H.H.S. was made a member of the North Central Association of Colleges and Secondary Schools, and in 1910 was made a high school in cooperation with the University of Chicago.

By 1914 the enrollment had increased to four hundred, and a larger building was necessary. The next year the work on the new Hammond Industrial High school was started—this is the building now occupied by Hammond High School on Calumet Avenue, between Eaton and Highland streets. However, the building was not completely finished until the spring of 1922, for the wings, cafeteria, and auditorium were added in the interim.

In September of 1921 the technical work was transferred from Hammond Industrial High School to the Central building and the lower grades were transferred to Washington School. The Technical High School was instituted in this same year, and the name of Hammond Industrial High School was changed to Hammond High School. By this time the student enrollment was 1,885, and the faculty consisted of 69 teachers.

The new addition to the building, consisting of three wings with cost \$450,000, was completed in 1922. This meant that there were thirty more rooms ready for use, including the gymnasium, auditorium, cafeteria, and offices.

Up to this time the school paper was known as the "Temulac" (Calumet spelled backwards), but in 1923 the name was changed to "Calumet Herald". The Herald staff consisted of thirty-two members at that time. Because of greater interest in this field, a class in journalism was organized in January of that year.

In 1924 the Hammond High School Association was organized, its first president being John Wilhelm.

The cabinet consisted of three students—secretary of discipline, secretary of student activities and secretary of public safety—and two faculty members. One of the faculty members was secretary of social affairs and the other was secretary of the treasury. The Senate was composed of ten students and was sponsored by Miss Mary C. Burhans.

In 1926 the Dunes won a First National Rating at the National Convention held at Madison, Wisconsin. Only one other book in Indiana won a higher place. The Calumet Herald won second place in the Indiana High School Press Association.

The National Honor Society, comprised of ten seniors who had shown exceptional ability in leadership, scholarship, character and service, was organized in 1927. It was a high school branch of Phi Beta Kappa.

The monitor system, along with the student court and honor system, was organized in '28.

In 1930 the HHS Band won the Indiana State Band Championship, recognizing it as the best developed and most advanced high school band in Indiana. Hammond High's debaters were state champions that year also.

The lighting system for the football field was installed in 1934 at the cost of \$2,700.

The years from 1935 to 1938 were illustrious ones indeed for Hammond High. Two thousand, four hundred pupils were enrolled in 1935.

The first day of October, 1936, was known as "Hobo Day", and HHS students expressed their secret desires in the outlandish garb which they donned for the day. Later in the semester, Amelia Earhart spoke to the girls in a special auditorium session.

1938 was an outstanding year in athletics for HHS. The football team took state honors; the basketball team won the conference title for the third consecutive time; the track team won the state championship; wrestlers lost the state title by one point; the tennis team took the title; and the swimmers placed second in state. Golfers won second place in the Northern Indiana High School Conference. George Sobek was named all-state guard by the United Press; Bob Mygrants won the Gimbel Prize for the best mental attitude and sportsmanship in the state basketball tournament. Julius Papais was all state right half-back from the undefeated state championship football team. Ray Frankowski was all state wrestling champion for the fourth consecutive year. Jim Cook was the diving champion of Indiana.

In 1939 the first student forum in the history of the school gave those who were interested in studying modern problems and world affairs a chance to do

so. Speakers from nearby cities were secured for these meetings. To promote better feeling among the region's school, the Association sponsored a Student Conference Day.

The first week in the new year in 1940 was made "Friendship Week"—each freshman was assigned a "big brother or sister" to help him or her get acquainted with the school.

In 1941 a Junior Historical Society was organized. The members made scrapbooks on the history of Hammond and Lake County, and gave a history of the various clubs in H.H.S.

An Easter Parade Style Show was presented for the girls of Hammond High and their mothers in 1942. Another unusual auditorium program, which was later staged for the public, was "A Pageant of Nations", written and presented by members of the Dunes staff.

An "All-School Revue" was staged in 1943, with various school organizations contributing to the program.

During the war years 1,967 graduates and pupils of Hammond High were called upon to serve their country. The gold stars on the service flag represented those who gave their lives for their country.

Stamps and bonds were sold in advisories and

Hammond High maintained a high record in these sales throughout the war. The Junior Red Cross prepared boxes for overseas and knit for the needy in Europe. Waste paper was collected each week in the advisories. Each organization within the school exerted itself to contribute something to the war effort. Mathematics, science, and physical education were stressed during the war.

1946 marked the return of many veterans, many of whom attended classes at the Board of Education Building and earned their diplomas. A G.I. graduation, the first one held in the nation, was held in February.

We at Hammond High have a heritage of which we should be proud. When our school was organized sixty-two years ago with a mere handful of students and a similarly small faculty, there were no traditions to be upheld, no precedents to be followed. The people who graduated in 1887 might be called "trail-blazers", for they set the pace for succeeding classes. It is highly improbable that they realized at that time the extent to which Hammond High would expand nor the influence which it would have in the community.

But Hammond High has flourished and grown strong through the years, and we sincerely hope that those who knew Hammond High School in the days of its youth now praise it in its maturity.

Commencement, first one in the United States

Doctor Clement T. Malan, State Superintendent of Public Instruction, gave the commencement address. Mr. L. L. Caldwell presented each Hammond High graduate his diploma. Those graduating from Hammond High were:

James Frederick Beilfuss, Frank Nevers Bender, Thomas Harold Bevan, Kalman J. Borberly, Harvey William Boyle, James M. Butler, Dan Robert Byrne, Robert Carman Carpenter, Russell Orrin Clark, Robert Alfred Erickson, Donald E. Veterans Graduate in G.I. Commencement

The first all G.I. commencement to take place in the United States was held in the Hammond High Auditorium on February 15, 1946. Of the ninety-five people who received their long awaited diplomas, twenty were ex-service women.

The diplomas, to many of the graduates, carried very high significance. It meant securing something that many believed was lost when they went to war. To some the diploma meant the chance to continue their study in some college and to go on to other fields of work. Others felt it a great privilege to receive a high school diploma in a world that was shaken by war and suffering.

Edwin R. Nelson, director of the Veterans' Educational program, and Mr. A. L. Spohn, principal of Hammond High were present.

The presentation of diplomas was made after

A Soldier Hates to See His Mother Cry

I came back last week for the last time,
To see my home town again—for the last time.
I expected to see my sister blonde and laughing and blue-eyed.
I expected to see my father dignified or gay,
In one of the moods he had from time to time.
I expected to find my mother quiet and smiling,
And arguing with dad about working for the duration.
But my mother was crying.

I didn't mind dying so much after it was over,
Because I could sit on almost anything and it didn't hurt.
And walking around, I didn't get my feet as sore as I did
Before I died.
Dying didn't seem like a grand and horrible thing,
Just Restful.
But when I saw my mother crying . . .
I guess I nearly cried myself.

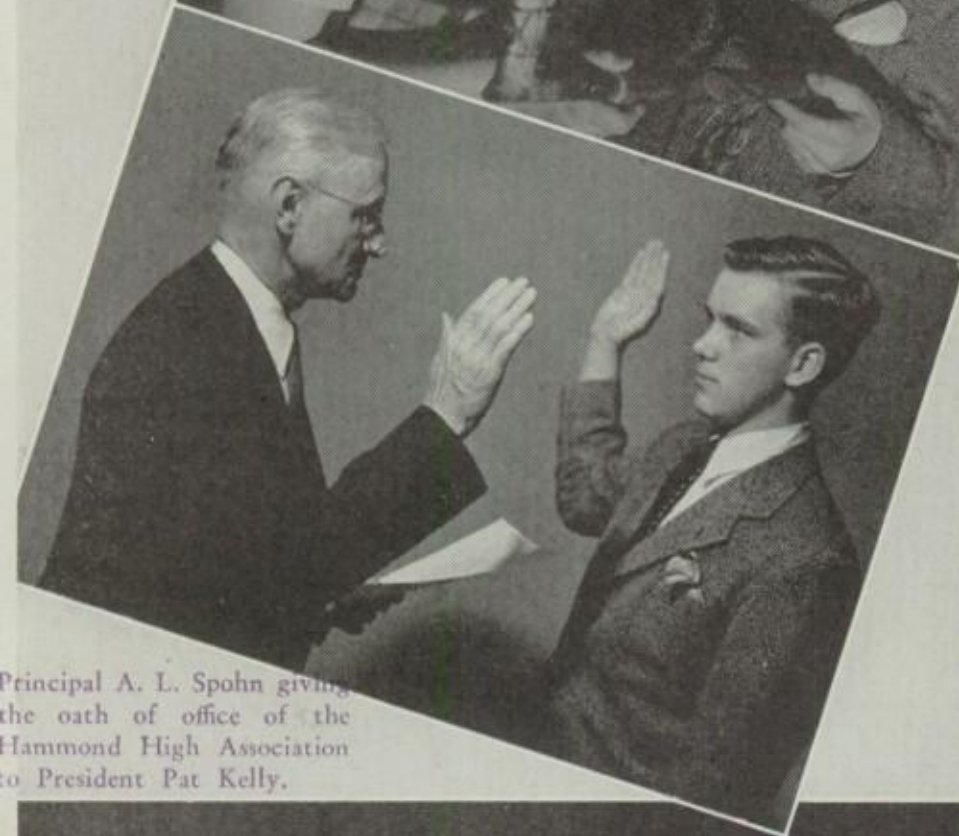

That's why I say, if you're going to stop wars, do it now
While the chance is there and you're young enough
To see it that way, because when you're older,
You may die too in a war like this one and take it from me,
A soldier hates to see his mother cry.

Curriculum Places Emphasis on Democratic Citizenship

Two important aims of the English department have been to develop proficiency in taking part in active discussion groups and in ability to give reports orally. The desire for the future is to develop critical audiences among the students for movies, radio, newspapers, and magazines. This progressive program is providing for classroom libraries which will offer all types of reading material depending on the taste of the individual student.

The social studies department has realized fully its responsibility to prepare young people for democratic world citizenship and to this end, has tried to find more affective means of instilling in them a real appreciation of the American heritage, a deep and abiding faith in democracy, and an understanding of the problems which will inspire them, as citizens, to take an active part in community and world affairs.

The mathematics department is developing two procedures that should improve both the teaching and learning qualities. Algebra aptitude tests are being given to all eighth grade pupils, and geometry aptitude tests are being given to the ninth grad algebra pupils. The test results will be used in advising pupils whether or not they should take algebra or geometry, and will also be useful in setting up classes in these subjects. Screening tests are being given to juniors to determine their mathematical fitness for graduation.

The language department recognizes the value of their subject in the world today, supplying to pupils an enriched background often not presented elsewhere. No other subject continues from year to year with the orderly procedure, the reliance upon attained background, and the management and use of detail, by which language builds mastery of expression. With this mastery come desirable character traits, thoroughness, promptness, and accuracy.

Preparation for future jobs is the aim of the commercial department. This goal is reached by the co-operative work, the instruction, and the job placement help that the individual student receives both before and after graduation.

The "Atomic Future" and the chemistry department must work together. To this end the department has tried to prepare the graduating seniors for, and give to them some understanding of, our jet-propelled future.

The music department has tried principally to develop an interest in singing as an avocation. Through singing, the department attempts to instruct the pupils in a knowledge of musical literature and through singing the students give service to the school as well as to the community.

"Art is a medium through which life is lived"—

Fundamentally, all art is based on the same principles—line, form, color, and texture. The vari-

ous employments of these, expressed in many mediums, produce the design of a person's day. thorough high school education.

In Art I and II a pupil gets acquainted with art by starting with the things we can feel and see. "The really seeing process is slow and deep and is the prelude to producing."

"How the parts go together" is another step in teaching a person to organize toward order, and away from mediocrity. As acquaintance with materials and tools develop, sensitivity through the visual and tactile experiences follows. Design evolves through the desire to communicate these experiences.

By the time the student progresses to Art Projects his hands and mind are fairly well co-ordinated. His production will lean toward his greatest interests and needs during that period of life. Greater consciousness of life's relations not only in the immediate environment but also in the community and ever-enlarging areas to world dimensions is a most earnest interest.

We believe, then, in the art department to so plan and work that—"one may be at home with the earth, with one's hands, and with one's fellow-men" through the space arts.

The athletic department has tried to teach the students the forms of recreation that will carry over into after school life and provide interesting as well as useful methods of spending leisure time.

Each year the Hammond High library has awakened interest in the freshman student by giving him five individual library lessons which demonstrate the correct use of a school library and give him a basic knowledge of the various types of books and how they are classified under the Dewey decimal system. The library is an excellent source for all types of reading and reference material. It not only serves to help in daily class-work but also introduces good literature to the mind of the student.

The eighty students enrolled in the printing department are looking forward to the addition of a bindery room and also the arrival of the new equipment that is now on order. Some new equipment has already been received.

The clothing course provides for the development of well-groomed, well-dressed, and intelligent consumers of clothing through the basic fundamentals of clothing selection, while the objective of the foods course is to develop each girl into a home member by giving her a practical knowledge of the selection of adequate and nourishing food and wisdom in marketing and technique in the preparation and serving of foods.

All departments work together to give to the student a basic understanding of the importance of a thorough high school education.

To Hazel

Pay a tribute, you say . . . pay a tribute to our Hazel who isn't *our* Hazel any more . . . well, how . . . how can we say that Hazel is a blessing when she's been a blessing for 21 years . . . when we haven't appreciated her half enough during that time . . . and can we say we'll miss her every time we get an admit or are called to the office or pick up one of the room phones when we don't know quite how to say it . . . you know, we've gotten used to that poised and efficient element of the school . . . we expect that calm, reserved, friendly smile . . . and we'll miss Hazel . . . what more can we say.

Hazel was married Dec. 29, 1945, to Mr. Edwin Lindstrom after serving 21 years as chief clerk in the Hammond High office.

To Coach Huffine

Huff's a guy who's great . . . and we mean a great coach . . . a great piano player . . . a great guy . . . oldtime and newtime fans of basketball and football are shouting hail and farewell . . . he's been in everything and done everything in the line of sports . . . good, we'd say . . . gee, we've gotten so used to Huff on the bench with that brown hat over his eyes, and wearing a weather-beaten coat and chewing a cigar . . . and at the piano with that quick-fingered touch . . . and concentrated look . . . well, we've gotten so used to these pictures that we'll miss him . . . yep, we'll miss him.

Huffy retired in January, 1946 as head football coach of the Wildcats after 19 seasons. He is to be director of athletics for all schools of the city of Hammond.

Miller, Posey, Wiker, Allen Headed Senior Class

Wiker, Posey, Miller, Allen, Miss Comer, Mr. Hightower, Miss Thiel

The Senior Class chose the following officers for 1945-46: president, Richard Miller; vice president, John Posey; secretary, Barbara Wiker; and treasurer, Richard Allen. The sponsors were Miss Thiel, Miss Comer, and Mr. Hightower.

The officers of the Association, also seniors, were: president, Pat Kelly; vice president, Peter Hanes, and recorder, Mary K. Tudor. The cabinet members were Vernon Fauver, secretary of student activities; Marjorie Robinson, secretary of student safety; James Jordan, secretary of student discipline; Doris Blythe, secretary of Red Cross; and Louise Whiteman, secretary of publicity.

David Washburn was the senior judge, and the senior senators were Donald Smiddy, Elona Haase, and Howard Black. The senior members of the House of Representatives were Elizabeth Adams, Shirley Alley, Martine Douglas, Mary K. Clark, Marjorie Gardner, Pauline Halleck, Marianne Hicks, Charles Hutton, Earle Jansma, Norrine Longanecker, Ila Jean McLeod, Thomas Olson, James Patargias, Richard Peterson, Lois Rock, Patsy Smith, James Stoddart, and Barbara Wagman.

The following seniors were social representatives: Clements, Fauver, Forsythe, Hofmann, Keene, Kothlow, Maly, Peckenpough, Pierce, Sargent, Schwenke, Simons, Skomsky, Skufakiss, and Wendell.

The seniors who participated in speech activities were Anderson, Canaday, C. Firchau, Hofmann, Hutton, Levin Lydle, Miller, Storm, and Krieger.

Members of the Senior Class were quite active in various musical organizations of the school. Those in the band were Baldwin, Brehmer, Bayton, Blythe, Doehring, Finck, Fischer, Forsythe, Haase, Johnson, Lloyd, Nichols, Posey, Ritter, Rubright, Sharkey, Shipley, Tudor, and Wikel. Those in the orchestra were Affleck, Baldwin, Bayton, Curtis, Hildebrandt, Isenagle, Luellan, Lyon, McLeod, Posey, Rubright, Victor, and Wirth.

Senior members of the choir were Anderson, Canaday, Chapman, Clark, Clark Curtis, Danchi, DeRolf, Firchau, Hamm, Hill, Iliff, Maly, Storm, Wendell, Finger, Kelly, Kothlow, Kuehle, Snyder, Washburn, and Wood. The girls' glee club included the following seniors: Barrett, Dean, Hicks, Hill, Luellan, Lydle and Raimey. Allen was in the girls' chorus.

Senior boys on the football squad were Shipley, Carroll, Morrison, Kilander, Beiriger, Hanock, Johnson, Tapper, Tanasijevich, Norden, and Todd. Only four seniors were on the basketball team—Gesheidler, Shoemaker, Allen, and Hammond. Mitchell, Frye, and Jusick went out for cross-country track. Ellison participated in golf. Those on the swimming team were Ellison, Hartigan, Pellar, and Steffen.

The following girls composed the senior volleyball team: Barker, Sargent, Sabolsice, Rinne, Krieger, Berger, Haase, and Pozdol.

The fall play "Spring Dance" featured the following seniors in its cast: Turner Bagby, Lynch, Washburn, Snyder, Bengston, Ray, Smiddy, and Peckenpough.

The Dunes staff consisted of Wiker, Ray, Raimey, Livingston, Simmons, Hill, Isenagle, Clark, Woodin, Anderson, Maly Pierce, Gallagher, Washburn, Witter, Simons, Robinson, Beilfus, Benko, McLean, Wendell, Fauver, Bagby, and Hamm. Wolff was the editor-in-chief, and Shlensky was the business manager.

Skufakiss headed the Herald staff, made up of the following seniors: Hicks, Steffen, Stoddart, Firchau, Kennedy, Sloan, Scott, Clark, Hamm, Wilson, Warber, Walker, Moskoﬀ, Steffen and Fauver.

The D.A.R. award for good citizenship was awarded to Tudor.

The senior play, "Ever Since Eve," featured the following seniors: Fauver, Anderson, Wikel, Hanes, Anderson, Spoerner, Whiteman, Morrison.

Senior

Mirror

The Senior Mirror

... the Senior Mirror ... who's who of Hammond High ... the seniors who found interests and have developed them ... and by their efforts have hit top spots as far as fellow class-mates and teachers are concerned ... forty-four Who's Who's ... Leaders of the highest caliber ... representatives of scholarship, leadership, ability ... what more can we say?

MUSIC

JOYCE LUELLEN

come one ... come all ... she sings ... she plays the piano and the violin ... she acts ... she ... well ... she does just everything ... and she's talented in all ... we've been told that she'd do anything for a friend and we prided ourselves on having guessed it from her nice disposition ...

CRAIG AFFLECK

he's tall ... and has a chuckle ... and plays that cello with the greatest of ease and ability ... and, besides all this, he's smart ... purty good, huh? ...

JOHN SNYDER

swoon ... sigh ... that's what John's voice *does* to people ... curly-haired and good-looking, he's bound to be another Frankie ... remember Professor Beckett in "Spring Dance" ...

ANNE DANCHI

she's a bubbling canary ... with blonde feather-soft hair and a sweet voice ... we're glad she's not perched in a gilded cage though ... with all her energy she'd probably break the bars right off ...

ASSOCIATION

MARY KAY TUDOR

who's that red-haired bundle of dynamite whizzing down the hall ... tell me, does she know *everyone*? ... vitality ... amiability ... zip and ... well, you think of a good description for someone who has so much on the ball ... personality plus? ... that's Mary Kay ...

PETE HANES

what *can* we say for this fellow ... he just has so much personality that everyone in the whole school knows him and ... need we say ... likes him ... as vice-president of the Association and with that part in the senior play, we'd say Pete was a busy fellow ...

MARGE ROBINSON

... "Here's my admit, Ma'am ... oh, hi, Marge ... " ... well, Marge isn't really that strict ... in fact, she can't keep that swarm of visitors away from her monitor desk ... and she's so cute and neat-looking that ... well, we're hugging around the edge of the crowd trying to get in a few words ...

PAT KELLY

Here's our man ... the President of the ... Association ... want to fill in United States over that space ... well, natch ... if he can head the government of HHS, he can sure do it for Washington, D. C. ... Pat's Irish ... or could you tell from his name and that Irish twinkle in his eye and that grin ...

PUBLICATIONS

PEG LYON

alive and fun-loving ... a scatter-brained wizard ... but also serious about writing ... whips off those snappy stories and articles and poems with a typical Lyon's touch ... and that's good ... all that and those crisp, cute looks ... Peg ...

ELEANOR MOSKOFF

... of the husky baby voice and the sweet smile ... and the journalistic talent which has helped her in her position as advertising manager of the Herald ... hard worker in everything she undertakes ... Nonie ...

PAUL SHLENSKY

... clack ... clack ... uh, Dunes, space space space ... that's Paul's seventh period ... he's confident and fast-talking ... he's industrious and dependable ... he's an asset ...

MARIANNE HICKS

serene ... gracious ... but with vitality and a sense of humor ... and her work on the Herald merits three big cheers ... *big brown eyes* ... Hix ...

JIM SKUFAKISS

stop the presses ... here comes Skuffie ... the editor of the Herald, Skuffie is not only able in that position, but in sports he's well-educated in every detail ... from the Calumet Herald to the New York Times ... we know him way back when ...

VIRGINIA WOLFF

she heads the Dunes ... well, of course, we consider *that* pretty good ... dashing around the halls with that preoccupied look and a pencil behind each ear ... amiable ... lots of personality ... and journalistic talent galore ...

SPEECH

CHARLES HUTTON

Chuck's serious ... and he's got his heart in his debating ... and he's good too ... a low, strong, clear voice and a tall stature make Chuck an impressive speaker ...

MARY KAY ANDERSON

she's dependable ... we don't mean stuffy ... and a leader ... not bossy ... the portrait of a leader of any group ... hard-working, interested ... cool and charming ... that's Kitty ...

RICHARD MILLER

... "In summing up, I would like to remind my honorable opponents" ... efficient, snappy-dictioned Dick has that important air about him that usually convinces the debate judges of his ability ... and that teasing air which convinces others of his lighter side ...

CAROL FIRCHAU

Fish ... and here's another cool, calm, and collected speaker ... she's written a lot of her own declamations too ... musically as well vocally inclined ... tall and languid ...

DRAMATICS

NANCY LYNCH

petite ... quiet ... dynamic in portrayals ... vivacious and loyal ... with enthusiasm and energy equal to dynamite ... that's Nancy, a star of "Spring Dance" ...

MIKE RAY

you know ... that stormy cynic of "Spring Dance" ... he's not really like that ... amiable ... serious and funny too ... that's our Mike ...

ANNE BAGBY

not as prim as Kate, her part in the fall play ... but has that same sincerity ... we like to think of her as a typical high-school girl ... animated ... yet smooth ...

DAVE WASHBURN

curtain ... lights ... drama ... an impresario in his own right ... Dave's tall, dark, and ... yet ... handsome ... says he'll be an architect ... we know, though ... we picture him under a balcony quoting lines, with C. B. DeMille smiling contentedly in the background ...

SPORTS

BILL SHOEMAKER

here's another member of this year's basketball team ... and ... *dry* sense of humor ... and he just doesn't give a darn ... he's tall and thin and casual-looking ... called "Ears" ... (???)

MARY JANE SARGENT

wholesome ... willing and able for any group activities ... a leader in girls' athletics ... cheerful ... and that gal's got great spirit ...

RONNIE HANOCK

calling the signals ... plunging ... guarding ... passing ... that's our quarterback ... and Ronnie goes in for some of that record-breaking sprinting with our famed track team too ... lazy-looking ... and that *Melting* stare ...

VIRGINIA SMITH

vivacious and sparkling ... how many times do you suppose she's been called Carrot-top? ... energetic ... a flash in basketball ... loves to talk and does it ...

RONNIE GESCHIEDLER

witty and quick on the come-backs ... that blush ... Ronnie's clean-cut and good-looking and friendly ... not only that ... the center on our stellar basketball team ...

SOCIAL ACTIVITIES

ROYCE PECKENPAUGH

he's the tall, dignified-looking one who walks the small cute one down the hall ... he's the joey one in the fall play ... and he's the one who gives his all for the school dances and parties ... he's quiet but a swell kind of friend to have ... nuff said ...

Association Conducted Courtesy Campaign

The Association started its year's activities with the inauguration of officers. The president was William Kelly; Peter Hanes, vice-president; and Mary K. Tudor, recorder. The Senate was composed of ten senators, three seniors, three juniors, two sophomores, and two freshmen. The Senators were Don Smiddy, Elona Haase, Howard Black, Jean Clancy, Tom Turner, John Maylor, Dan Tudor, Tom Foreman, Cecil Harper, and Ray Cutler. Miss Taylor was the faculty advisor for the Senate. The court, composed of a judge from each class and the Secretary of Discipline, was headed by Miss Breyfogle. The judges were Dave Washburn, senior; Ben Christopher, junior; Dave Ogren, sophomore; and Thomas Hayden, freshman.

Secretary of Student Safety was Marjorie Robinson with Miss Thomas in charge. This officer captains the monitors and presides over meetings.

Secretary of Activities, who planned the social activities and served as the leader of the social rep-

resentatives, was Vernon Fauver and Miss Meyer was the faculty advisor.

The Secretary of Student Discipline was James Jordan. His job was to preside over the court, and he was aided by Miss Breyfogle.

The Secretary of Red Cross was Doris Blythe, and Miss K. Williams was the faculty advisor.

Louise Whiteman, the Secretary of Publicity, had the job of informing the student body of the activities in the Association.

Traffic regulations, governed by last year's Jensen Safety Bill, were enforced by the Association, and a courtesy campaign was conducted in April. The Christmas tree was again sponsored and decorated by the Association.

The Hammond High School Association was organized in 1923 when the Constitution was adopted.

Monitors

The Secretary of Student Safety was Marjorie Robinson with Miss Vera Thomas as sponsor.

The period captains that were chosen for the past year were Mary K. Clark, Pauline Yarowsky, Katy Kuss, George Finger, Virginia Wolff, Dorothy Woodin, and Pete Hanes. These captains were responsible for the attendance of the monitors for each period, and seeing that order was kept in and around the main hall, directing any visitors, and giving general information to any one needing it.

A monitor must have average grades, be a dependable and capable person, and be either a junior or senior. Monitors are to see that order is kept in the halls at all times, that lockers are all securely locked, that admits are signed, and that court notices are given to all violators.

House

The House of Representatives held its first formal meeting on October 6, with Peter Hanes, vice-president of the Association, presiding. Charles Hutton served as secretary, and Mr. Calvin Schubert sponsored the group.

The first business to come before the House was the safety campaign that had been started the year before. Much the same procedure was followed; namely, that of having an extensive safety program with posters and talks in advisories. Two of the outstanding projects of the House of Representatives during the year were the sponsoring of the publication of a Hammond High School Handbook for next year, and the preparation of a calendar giving the dates of various school activities for the year.

Girl Reserves

The Girl Reserves, which is the junior branch of the Y.W.C.A. in Hammond, had as its officers this year Pauline Halleck as president; Bernadine Storm as vice president; Betty Curtis as secretary; and Elizabeth Koutas as treasurer. Miss Katherine Bollenbach was the sponsor.

At Christmas the Girl Reserves gave food and toys to two poor families, and the traditional "ceremony of greens" was held during the Yuletide season.

The club participated in the activities held at the Y.W.C.A., and also took part in a conference held in Gary, Indiana. Among its other activities, the organization entertained at a tea which was given for senior girls in the Girl Reserves.

Hi-Y

The 1945-46 officers for the Hi-Y, which was organized approximately twenty years ago, were David Washburn, president; John Erickson, vice-president; Horace Cantrell, secretary; and Charles Hutton, treasurer. The program chairman was Richard Peterson and Mr. L. C. Overman was the sponsor.

Conferences rated high in the activities of the Hi-Y. Dave Washburn and Charles Hutton attended the Leaders' Training Camp in Delphi, Indiana in September. Mr. Overman and ten members of the club attended the First District Conference in Gary. Any member could attend the State Older Boys' Conference at Terre Haute. On January 14 the Midwinter Conference was held at Hammond.

Book Store

The bookstore staff consisted of ten members under the direction of Mr. T. Fruehling. The members and their specific duties were Melvin Johnson, manager; Jean Fifield, in charge of ordering supplies and keeping general bookstore in order; Alic Barney, special accounts bookkeeper; Helen Ganz, general accounts bookkeeper; Jim Jordan, special projects; Gladys Kniaz, in charge of printing accounts and daily balancing the cash box; Dorothy Kuhlman, in charge of checking reports of club treasurers; Rosemary Rafish, making inter-department transfers and check records; Harold Schalet, balancing cash register and making bank reconciliations; Henrietta Stowman, writing of all bank checks.

All the staff participated in the selling of books, both second-hand and new, and the selling of tickets to the basketball and football games including the holidays tournament, the sectionals, and the regionals.

A club was organized for the purpose of discussing problems which occurred in the bookstore. Officers were elected and the meetings were held during the regular club periods. The officers were: president, Melvin Johnson; vice president, Helen Ganz; secretary-treasurer, Alice Barney.

The social activities of the bookstore included a Christmas party held at the home of Dorothy Kuhlman and a trip to Chicago to see "The Desert Song."

Visual Aids

The Visual Aids Department, with Mr. Jay Wood as sponsor during the first semester and Mr. Calvin Seddlemeyer as sponsor during the second semester, showed ten films and slides in 130 days. The films consisted of 246 reels; 7 sets of lides were shown.

Harold Rigg, aided by Jack Rowe, was the assistant in charge of maintenance and had charge of training new operators. Operators during the year were Jim Rhind, Russel Dryfus, Bill Woodward, Fred Lennertz, Jim Patargias, Paul Georgas, Jack

Beardsley, Al Morningstar, Ray Liebach, Jack Todd, Ancil Schilling and Joe Matkovich.

The public address system, operated by Harold Rigg and Jack Rowe, was used approximately 16 times during the school year.

The department received two new pieces of equipment during the year—a Magnavox strip film projector which can be used to run radio transcriptions and strip films simultaneously, and a Bell and Howell sound projector. Both were gifts of the senior class of 1945.

- o -

Nurses Staff

One of the biggest jobs done by the nurse's office this year at Hammond High was giving all graduating seniors physical examinations or seeing that an examination was given by their family physician. Examinations were also given to anyone who was new in the Hammond school system. The school nurse, Miss Helen Deane, with her corps of assistants supervised these examinations.

Every period during the day a girl who has been trained in department routines and first aid is in the office to assist anyone who might need aid. Besides helping with department routines, administering first aid treatments, assisting with physical examinations and inspections, the girls help keep the health reports and records of the Hammond High students.

Girls who worked as assistants this year were Lorraine Broadwater, Phyllis Bacon, Joan Fox, Mildred Page, Donna Cyrus, Lois Sabolsice, Judy Chandler, Marian Bacon, Dorothy Woodin Martha Victor, and Victoria Marynowski.

Speech Arts

As usual the speech department was one of the busiest organizations in Hammond High. Hammond High placed second in the Calumet Debate League, a thirteen-school Calumet district league.

The Hammond High chapter of the National Forensic League was the largest in the state with 78 members and degrees. The Forensic board, composed of five members of NFL who have the highest number of points, planned the helped supervise the activities of both debating and individual speaking. Members included: Mary K. Anderson, Wanda Canaday, Carol Firchau, Charles Hutton, Richard Ciller, Phyllis Wilson.

A tournament of individual speaking was held at Hammond High on February 9.

Hammond High's speech teams reached the climax of ten years of competition in Indiana NFL Tournaments by winning the much coveted ten-year NFL plaque given to the school with the most outstanding record for the past decade. Hammond High's possession of this plaque was based on her unparalleled record of five debate titles, twelve individual championships, and four team trophies.

Mr. T. D. Reed, who founded the club in 1935, was again faculty sponsor. Officers of the club were president, Carl Carpenter; secretary,

Marilyn Boone; treasurer, Margaret Abatie, and Fred Thompson.

Hammond High was host to approximately 150 speakers in the NFL district tournament on April 26-27. Washington of East Chicago nosed out Hammond High by one point for team and sweepstake honors. The Washington Debate team also won first honors with Hammond second.

Individual winners were humorous declaration, Wanda Canaday, third; extemporaneous speaking, Phyllis Wilson, second; poetry, Mary K. Anderson, first.

German Club

The German Club this year had the following people for officers: Elona Haase, president; Wallace Ahlborn, vice-president; Jean Clock, secretary; and Richard Burgard, treasurer.

During club periods, the group sang German songs and had word and spelling games in German. A special Christmas party in which the members exchanged presents and sang Christmas carols in German was held.

Through these activities, the club extended the knowledge of German customs and German standards of living.

Any student who is in his first semester of German and has a "C" average is eligible for membership in the club.

Pan American League

The Hammond High Pan American League is a branch of the National Student Pan American League of Miami, Florida, to which reports of the club's activities are sent regularly. The purpose of the Pan American League is to become better acquainted with the habits and customs of the people of South America.

The club had several guest speakers during the year. Mrs. Tony d'Errico, formerly Miss Thelma

Robison of Hammond High faculty, spoke on South America, while at another meeting Mr. Coleman showed the club slides on Mexico. Before the Christmas vacation, Miss Kessing talked about Christmas in Mexico.

The club chose as its officers: Dick Dye, president; Mike Ray, vice-president; Jean Clancy, secretary; Jean Rudzik, corresponding secretary; and Gerry Walls, treasurer.

- o -

Spanish Club

The Spanish Club and the Pan American Club met together every other meeting. On December 10 a fiesta was enjoyed by the members of both clubs.

The Spanish Club learned parliamentary expressions in Spanish. All the meetings were conducted entirely in Spanish.

The officers were as follows: John Trent, president; vice president, Gene Jones; secretary, Mary K. Clark; and treasurer, Tom Tompkins.

Miss Kessing is the sponsor of the club.

The qualifications are a semester of Spanish with a "C" average.

G.A.C.

The G. A. C. elected the following students to office: Mary Jane Sargent, president; Juanita Barker, vice-president; Geri DeLaney, treasurer; and Lois Studer, head of sports.

G. A. C. sponsors all types of sports, including speedball, volleyball, swimming, and basketball. The girls who participate in these sports fulfill entrance requirements for the club. Points are given to club members who may earn a school letter for participation in athletic activities. The activities also provide an opportunity for girls to take part in extracurricular activities.

The Girls' Athletic Club was formed primarily for high school girls interested in all sports activities, and is sponsored by Miss Marion Dieterich and Miss Georgia Anderson. To become a member of this group one must first show herself capable in at

least one sport. A majority vote elects the girl to membership in this club.

Clothing Club

The Clothing Club did much to encourage and develop interest in personal appearance and wardrobe. The group focused its attention on good grooming, such as care of the hair, nails, hands, and skin. Correct posture was demonstrated and members were urged to follow these examples. The art of using make-up was shown.

The Club members made stuffed toys for the Junior Red Cross which were distributed to children's hospitals at Christmas.

The officers for the Club were president, Eleanor Moskoff; vice president, Ella Mae Isenagle; secretary, Carol Hildebrandt; and treasurer, Emma Jean Orr. Miss G. Theil is the sponsor.

Ace of Clubs

The Ace of Clubs, composed of freshmen who maintain at least a "B" average in solid subjects, welcomed new members at a party during a November meeting. This club was organized to acquaint new students with Hammond High and to teach them how business meetings are conducted.

Officers elected for the first semester of this year were Nancy Miller, president; Marilyn Eidam, vice-president; Nancy Freeman, secretary, and Joan Sharbak, treasurer. Miss Pauline Pritchard sponsored the group.

Commercial Club

The Commercial Club was under Miss E. Anderson, who took Miss Mary Scott's place. The club was organized for the purpose of promoting the general interest in business, and all phases of selling and buying. The group had a speaker every week who talked on business and its importance in every day living. Two of the speakers were Mr. Dewalt, who talked on college training, and Mr. J. Hartnett, who talked on the subject of "Telling By Mail." Anne Danchi served as president; Barbara Goff was vice-president; Ruth Hudak, secretary; and Isabelle Chartos, treasurer.

Stamps and Bonds

The student-teacher sale for eight months totaled \$60,000 in stamps and bonds during the year of 1945 and '46. This amount was approximately one-half of what was done in the year of 1944 and '45.

Mary Kay Anderson headed the student committee under the chairmanship of Miss E. McCullough and co-chairman Miss Johnston. Miss Johnston's assistants were Lorna Chizmer, Norma Chandler, Shirley Ohr, Beverly Norden, and Barbara Kraus.

Stamp and Bond sales will continue in 1946-47 since a vote was taken on the question and the students responded with overwhelming enthusiasm to have a continuation of the sales.

Junior Red Cross

The officers of the Junior Red Cross were Doris Weiss, chairman; Mary Stepancevich; Verna Lee Van Gilder, secretary; and Lillian Massock, treasurer.

The club sent fruit to the Old People's Home at Thanksgiving. The group also sent gifts to fifty ladies in the Old People's Home at Christmas.

Braille books were made for the blind.

Games and favors were made for the Veterans' Hospital and the club with the G.A.C. sent 500 boxes of cookies to the hospital.

Stuffed animals were made and sent to children's hospitals. The club helped to support the National Children's Fund.

City-wide Art display in Northern Indiana Public Service Window

Arts and Crafts

Arts and Crafts Club always has stood for *service to others*. This year the club more than lived up to this tradition. Patterns for Hammond High's Christmas tree ornaments were made for members of the House. Over 2,000 menu covers were printed and painted from original linoleum designs for Marine hospitals. As in past years orders were taken for hand-stenciled Christmas cards from more than 50 individual designs.

Modern free-form centerpieces and favors for the Northwestern Indiana Teachers' Association Art Section luncheon were created by this group.

As in other years, members of the club made posters for the annual Poppy Poster Contest sponsored by the American Legion Auxiliary.

The Scholastic Art Awards for the Regional Contest at Indianapolis were Elizabeth Putnik, Margaret Claassen, Hal Hester, Raymond Van Til, and Gloria Shmagranoff.

Certificates (award for achievement and gold keys)—Joanne Spoerner, Tony Buono and Harvey Retzloff. All of the accepted entries were sent to the National Contest at Carnegie Art Museum, Pittsburgh.

Ten city-wide winners of ten of the Dachla Art Competition, New York City, for greeting cards won Certificates of Award. Ray Fleener's design won first in the state. The company awarded him \$100 in Victory Bonds. Mayor Bertram Smith made the presentation. Ray's design was eligible for a national award.

For the second year members of the club submitted entries in the Teenage Fashions Contest sponsored by the Chicago Tribune. Carolyn Kutak, of

the art classes, had her design selected and made into a costume. This was modeled at the Fashion Show at the Tribune Studio Theater. She received fifty dollars in cash for her design.

Officers elected for the first semester were: president, Pat Turner; vice president, Charles Long; secretary-treasurer, Bobbie Levin. The program chairman was Louise Chandler while Alice Smith headed the social committee. Phoebe Seitzinger planned the various activities on the club. Miss Olga M. Schubkegel is the sponsor.

Library

Hammond High's collection of books consists of approximately eight thousand. Five hundred of these are loaned to the library by the Hammond Public Library. In addition to this service, the public library provides an inter-library loan service for teachers twice a week.

The library co-operates with the Composition I teachers in giving five library lessons to freshmen. Miss Hawyer, librarian, gives the first lesson on the rules and regulations of the library. The English teacher teaches arrangement of books, interpretation of card catalog and reader's guide, and gives tests covering the library material. Many teachers refresh the memories of the juniors by giving three lessons in junior English.

The library subscribes to about fifty magazines. (The Board of Education buys the majority of these.) Several magazines are donated, however, by the Chamber of Commerce, the Humane Society, the science department, the Dunes, and by various teachers. New books are also purchased by the school clubs.

Six newspapers are received regularly by the library. Some of these are the New York Times, the Christian Science Monitor, the Chicago Tribune and the Hammond Times.

Miss Hawver was assisted by Miss Allman. Marilyn McLean was assistant and typist. In addition, thirty-two staff members were on hand in the library during the day. The fourteen boys and the eighteen girls who were on the staff received instructions through library meetings held during auditorium sessions.

Fifty-eight study hall librarians helped to relieve the crowded conditions in the library by coming to the library at the beginning of the period and securing material requested by those in study halls. A regular librarian and an alternate were chosen each period in study hall.

The atmosphere in the library was made more cheerful by the colorful bulletin board which was cared for by Nancy Shane and Mary Ann Flynn. The Biology Club supplied and cared for the plants which also helped to create more pleasant studying conditions.

Social Representatives

After an exciting homecoming football game on October 26, the social representatives presented their first dance of the 1945-46 school year. Both students of HHS and Clark helped to make the dance a success by their all-out attendance.

On November 17 the first all-school party of the year, "Dude Ranch Doin's" was held in the

lower halls with dancing in the cafeteria. Pinafores and jeans seemed to be the style of dress.

The week before Christmas was climaxed by "Holiday Dreams," a dress dance planned for December 21. The holiday spirit prevailed as enthusiastic couples danced to the music of Reynold Young and his orchestra. The Association Christmas tree in addition to murals gayly decorated with Walt Disney figures Santa Clauses, and Christmas trees held the attention of the delighted crowd.

A party designed to relieve the students before final exams was planned for January 19. At "Horse and Buggy Highlights" one could get an idea of the type of social gathering which was held during the time of the gold rush. In the girls' gym old-fashioned square dancing lasted until 11:30. Social dancing was held in the cafeteria and delicious food was sold in booths in the hall. The end of the party resulted in a less tired student body more ready to meet the ordeals of examination week.

The second semester saw a change in the organization of the social representatives. Instead of having only one representative from each advisory, any person interested in working on social affairs could join the new "Social Workers." Permanent chairmen were chosen by Vernon Fauver, secretary of student activities. They included refreshments, Marjorie Forsythe; decorations, Royce Peckenpaugh; entertainment, Kitty Simmons; tickets Jerry Korns; publicity, George Callantine.

Miss Schuelke served as sponsor with two faculty members of one social committee assisting her for each affair.

On March 29 an all-school party was held in the lower halls and cafeteria. "Wildcat Carnival" was the first party for newcomers to HHS. The novelty acts and gayly decorated booths provided a delightful evening.

The final party of the year was "The Sock Hop"

Bohemian

The Bohemian Club, which encourages the creative writing ability of students, was under the sponsorship of Miss H. McCullough. The club chose as its officers Dorothy Gill, president and secretary, and Birdie Warner as treasurer.

At each meeting manuscripts were read by the student authors and discussed by the club as a whole, and in this way the members improved their writing skills.

Requirements for club membership are (1) presentation of creative work which is unanimously approved or accepted by the committee composed of the officers and sponsors, and (2) recommendation of an English teacher.

The purpose of the club is to develop further appreciation of literature and standards of judgment.

Any pupil is eligible for membership.

Automobile Club

The officers of the Automobile Club, sponsored by Mr. Norman Beyer, were Emmerson Wikel, president; Ronnie Fick, vice-president; Richard Wilson, treasurer; and Shirley Clements, secretary. The secretary for the second semester was John Krawczyk.

The program committee consisted of Margie Gardner, Royce Peckenpaugh, Vernon Fauver, and Sally Domke. The executive committee was made up of Dorothy Witter and Walter Jesernig.

The purpose of the Automobile Club is to promote safety in driving and walking. The club sponsored a year-round safety campaign, and the walk lanes surrounding the school were made possible by the influence of the Automobile Club.

The club had two officers from the Hammond Police Force to speak to them on the hazards of driving recklessly. Mr. Hoffman of the Hammond police spoke to the club about the rules and regulations of the traffic of the city of Hammond.

Mr. John Wellman, shop foreman of the Bohling Auto Sales of Hammond explained to the members the working parts of a car and also instructed them on the care of their cars the year around.

Throughout the year the club had the opportu-

ity of seeing several movies dealing with safety.

The club is a member of the School and College Division of The National Safety Council, in co-operation with the Hammond Safety Council.

The Automobile Club received booklets on safety from the government of Indiana through the Director of the Bureau of Motor Vehicles. The booklets contained all the traffic rules of Indiana and were used as a guide for the second semester work.

The club sponsored Mr. Sam Campbell, the naturalist, in a November auditorium session. Mr. Campbell is well-known to Hammond High students as he has been here annually for several years and has always been sponsored by the Automobile Club. Other speakers brought before the student body by the Automobile Club were the Deputy Sheriff of Lake County and the Fire Chief of Hammond.

The Automobile Club was responsible for seeing that a new ordinance was instituted this year, the enforcement of a twenty mile speed limit on Calumet Avenue from Cleveland Street to Michigan Street. They hope to have the city install a traffic light on the corner of Eaton Street and Calumet Avenue for the safety of students.

Chemistry Club

A group of students of Hammond High who were interested in chemistry met after school and organized a Chemistry Club. For the first semester they met after school every other Wednesday, but during the second semester they were permitted to meet during the regular club period. Mr. C. E. Long offered his assistance in helping organize the club. The officers elected were Gerald Kuehle, president; Richard Peterson, vice-president; Bud Burkhardt, secretary, and Marjorie Gardner, treasurer.

The small membership worked on a constitution and the secretary prepared and finished it for the approval of the club. It was then approved by Mr. C. Schubert.

Russell Dryfus gave some interesting demonstrations on the manufacture of synthetic rubber, the use of ultra-violet rays, the preparation of plastics, and a demonstration on synthesizing.

The club visited the Museum of Science and Industry in Chicago.

Biology Club

The purpose of the Biology Club is to keep up the interest in biology among students. The members of the club must have completed the course in biology or be in a biology class at the time of election to the club. They must also take responsibility in looking after the plants in the school, and be active in all other activities of the club.

The club enjoyed field trips in the spring and summer, and also trips to different places of interest in Chicago.

Several books were presented to the high school library by this organization.

The officers for the first semester were Tom Anderson, president; Arlen Lenz, vice-president; Judy Fredricks, secretary; and Victoria Marynowski, treasurer. For the second semester Arlen Lenz was president; Pat Dorsey, vice-president; Jayne Sennett, secretary; and Mary Rotas, treasurer.

Miss Reeder acted as faculty sponsor.

Calumet Herald Had Successful Year

The Calumet Herald which has been the official publication of Hammond High School is edited by and for the student body. As a means of informing the students and faculty of all school activities and of promoting the success of school projects, the Herald published regular and special issues during 1945-46 under the editorship of James Skufakiss. His staff for the year was composed of Charlotte Bayton, front page editor; Marianne Hicks, feature editor; Dorothy Gill, news editor; Ted Steffen, make-up editor; James Stoddart, sports editor; Carol Firchau, Peg Lyon, Bill McLaughlin, and Judy Jones, contributors.

Heading the business department of the Herald, Eleanor Moskoff served as advertising manager for the year. She was aided by Dave Kelley, and Eileen Kennedy, ad solicitor. Vernon Fauver was the staff

photographer. Mike Korba was in charge of the circulation department. The Herald was supervised by Mr. A. T. Bolt.

To introduce new members at Hammond High to the newspaper the first copy of the Herald was distributed to the entire student body as a sample copy.

The year 1945-46 was the most successful year for the Herald. Over thirteen hundred subscriptions were sold during a two-week campaign. A special rate was extended to those advisories having a 100 per cent cooperation.

Before the Christmas vacation, a sixteen-page copy was distributed throughout the school to herald the Yuletide season.

Three cub editions were published by the journalism classes.

Four members of the Herald staff became members of Quill and Scroll, a national honorary society for high school journalists, to which the Herald belongs. They are Carol Firchau, Ted Steffen, Eleanor Moskoff, and Marianne Hicks.

Ted Steffen, make-up editor for the Herald, received a medal for placing first in the Quill and Scroll current events contest on the atomic bomb.

Published by the graduating seniors of the staff the graduation issue was the last edition of the year.

Advanced Girls' Glee Club Sang Before Local Groups

The Advanced Girls' Glee Club, composed of thirty-seven girls under the direction of Miss Esther Waterbury, presented musical programs outside of school as well as in school.

This group appeared in the Stamp and Bond Show, and in an all-musical auditorium program. It also sang in a program at the Christian Church and

in the annual Christmas program at school.

The officers elected by the group were Joyce Lee Luellen, president; Jean Rudzik, secretary; Harriet Malde, treasurer; and Elizabeth Raimey, librarian. The accompanists were Marianne Hicks and Jerry Hayden.

Girl's Chorus

The Girls' Chorus is one of the newer choral groups in the music department under the sponsorship of Miss Esther Waterbury. It was organized in 1943 and has been busy working on the various programs that it has helped to present.

In this group the girls are taught the fundamentals for good singing, such as correct breathing, tone, pitch, and quality. This early training provides an opportunity for each to enter one of the advanced groups in her junior or senior year.

The group's first appearance this year was singing for the Stamp and Bond Show in the latter part of November. The group was later invited to sing before an audience from the Presbyterian Church. They also combined with the entire music department to present the annual Christmas program.

The officers this year included president, Mary Bradbyer; secretary, Marie Crooks; treasurer, Jane Bagby; librarian, Elizabeth Raimey.

The accompanist for the year was Sally Domke.

Triple Trio

In 1942, Miss Waterbury tested and blended nine girls' voices and formed the well-known Triple Trio. Since then the group has sung before various audiences. This year they appeared at the Music and Speech Teachers' Convention in Gary, at the Hyde Park Methodist Church of Hammond, and in a musical auditorium session presented in early November. The group also sang at a Rotary Club luncheon, at the annual Christmas program at Hammond High, and at the E. C. Minas Department Store.

The girls of the Triple Trio this year are Joanne Rhind, Anne Danchi, Kay Mendius, Dona Clark, JoAnn Reed, Kathryn Kuss, Marjorie Gardner, Jeannine Lute, and Betty Curtis.

At the district contest held April 20 in Valparaiso, the Triple Trio won first place.

A Capella Choir

The A Capella Choir presented several musical programs during the year. The group, composed of fifty members, is under the direction of Miss Waterbury.

The Choir is an advanced group, composed almost entirely of juniors and seniors. Tests are given each individual before he may belong. One year of previous musical training is required also.

American Christmas songs were presented before the Rotary Club in December. An earlier appearance was an auditorium program presented in early November. The Christmas season found the Choir busily preparing carols to sing at Minas' and the Christmas program. Also during the Christmas season, the group sang in the lobby of the Hammond City Hall. The highlight of the Christmas program was the Choir's presentation of "The Night Before Christmas" with Pat Kelly and Rudy Gallucci doing the solos.

The group elected Dave Kelly as president. Pat Eaton was elected secretary; Anne Danchi, treasurer; while Gloria Hodges took care of the music.

The accompanist for the A Capella Choir was Carol Firchau. The vocalists who won first place honors in the district contest held in Valparaiso on April 13 were Joan Affleck, Marie Crooks, David Kelly, Elaine Pecher and Elizabeth Tsatsos.

Mixed Chorus

The Mixed Chorus is the newest group in the music department under the direction of Miss Esther Waterbury. It was created in 1945 and has a membership of 19. This group is made up mostly of freshmen and sophomore students who are preparing to enter the advanced music groups in their junior and senior years. The group's first appearance in the first semester was in a musical auditorium presented early in November. This chorus combined with the entire music department to give the annual Christmas program.

They elected as president, Marilyn Eidam; secretary, Shirley McKay; treasurer, Charlotte Smith; librarians, Richard Palmore and Patricia Freeman.

The group's accompanist was Shirley Stiller.

Senior Band

During the first three months of the school year the Senior Band devoted the greater part of its rehearsal time to perfecting its marching and building formations for use at the football games. Among the interesting formations exhibited this year were many which deserve mention such as the "Wildcat", "Airplane", and the "Revolving Wheel". The band, which performed at all home games, also accompanied the team to Valparaiso.

Each year the tradition, to surpass the marching bands of previous years with a well disciplined and

military marching band, becomes more difficult to uphold and it was only after several early morning rehearsals that this year's band was able to surpass those of other years.

The band takes part in the regular school concerts and also plays for many auditorium and pep sessions, as well as taking part in all parades and similar functions of civic nature.

In the district contest held on April 13 the band took first place honors.

Junior Band

The Junior Band is primarily an organization to train less experienced musicians in ensemble fundamentals and marching drill work. Because of unusual progress, this year's Junior Band augmented the Senior Band in more performances at football games than those of former years. On such occasions

the formations on the football field contained well over a hundred musicians.

Preparing for Senior Band the fifty members play at all the regular concerts, adding variety to the program with their colorful novelty numbers.

Orchestra

For the first time there is an advisory at Hammond High composed entirely of musicians. Because of the seven period day, many of the players could not arrange to come to the regular orchestra rehearsal period. To overcome this, orchestra players were placed in an auditorium advisory which met a half hour early three days a week and rehearsed through the advisory period.

The orchestra plays for the regular concerts, for all the school plays, and for some of the auditorium sessions. It is anticipating playing auditorium concerts at schools in some of the neighboring cities,

but as yet arrangements have not been completed for such a program.

As a project this year many orchestra members devoted considerable time and effort toward the making of an orchestration (orchestra arrangement) of a piano number and each conducted the orchestra in his own arrangement at a public concert given for that purpose.

The orchestra won first place in the district contest held on April 13 at Valparaiso.

Wildcat Gridmen Won Three, Lost Six

On September 21, Hammond lost the first opening game since 1927 when East Chicago Roosevelt smashed their way down the field for a 33-0 victory.

The season's second game with East Chicago Washington, 6-0, showed great improvement to the aggressive, but inexperienced Purple and White squad. Although the Cats beat off four scoring threats, a Senator slipped through Wildcat defenses to score the lone touchdown.

Hammond lost its third straight grid start, when the Gary Emerson Golden Tornadoes romped to a 21-0 triumph.

The Wildcats registered their first triumph of the season by turning back the Valparaiso Vikings 13-0. Larry Andres plunged over from the three yard line to score the Cats' first touchdown after a 75 yard march.

Whiting's Oilers were out to avenge last year's lacing by refining the Cats in no crude fashion, 33-0. But the next week students and old grads alike were on hand to cheer Hammond High's team to a 20-7 victory over Clark.

The Lew Wallace Hornets battered the Wildcats for a 42-7 victory.

Tech's Brown and Gold, Hammond High's oldest rivals, defeated the Purple and White 21-7. It was the third Tiger victory over Hammond in twenty-one years.

Catholic Central's Warriors were crushed 19-0 in the last game of the 1945 season and thus brought the season's record to three wins and six losses.

Basketball

METIKOSH—Sharp-eyed junior whose cool hand dropped in many a crucial point when necessary.

GESCHEIDLER—Rangy senior with great rebounding ability. Always played his best in every game.

SHOEMAKER—A consistent menace to all opposing teams. An all around player.

McCAIN—Hard driving junior who could do anything with a basketball.

SOBEK—Came to the fore late in the season and showed the true "fighting Wildcat" spirit.

BLAIR—High-jumping junior who will do even better next year.

WASHINGTON—His never-say-die spirit gave the Wildcats that extra punch in many a game.

BROWN—Junior with determination and drive. Should break into first string next year.

MORFAS—A man with height who can really handle a basketball.

SPUNGEN—Sophomore with an uncanny eye for the hoop. Should be a dependable sub next year.

Wildcat Hardwood Boys Were Smooth

This year's Wildcat five was one of the smoothest and balanced teams in Hammond High history.

The fast-breaking quintet had good driving in Moe McCain and Frank Sobek, dazzling shooting by Bill Shoemaker and the easy going Milan Metikosh and the best of rebounding by Jack Blair and Ronnie Gescheidler.

Boys like Tom Pickford, Bob Babcock, Sheldon Spungen, Nick Morfas, Bel Brown, and Larry Washington were always backing up the first string.

Hammond opened their triumphant season against Calumet City in a hard 35-34 loss. South Bend fell to the Wildcats 41-40.

With Blair, Metikosh and Sobek sick Hammond lost to Tech 40-31.

Froebel and Clark were next to meet more than their match in Hammond. About this time Jeffersonville, then dated the best in the state were trounced by the Wildcats 42-36.

Central, Griffith, and Tech were downed in Hammond's Christmas tourney.

In the little Whiting gym the Cats were downed 42-40 by a last minute bucket. Valpo, Horace Mann, Emerson and East Chicago Roosevelt all proved less than a match for the Kingmen.

Hammond's tourney hopes were short lived after Lew Wallace met us on our own ground and played the type of game coaches dream of and won 46-44.

Ft. Wayne Central, then rated the best in the state, were the next to fall into the arms of the H.H.S. win column. Hammond's next game with Washington was a 41-36 set back.

Hammond was on its way to a bang-up finish with a 48-41 win over Clark and a 45-25 over Tech, only to be let down hard by a very strong Benton Harbor team 60-37.

Golfers Placed in City Meet

The tennis team, consisting of entirely new members, showed great promise for next season. Their record of 1 win and 4 losses did not give credit to the coaching of Mr. Overman nor to the talents of the tennis squad.

The team was paced by the hard fighting of John Snyder. Other members of the team were Gordon Uhle, David Taylor, Wayne Hartigan, Harrie Hess, Gerald Lennertz, Earl Anthony, Earl Peschke, Wally Ahlborn, and Donald Smith.

Tennis Team Shows Promise

The Hammond High golf team was composed of Cleland, P. Markovich, B. Markovich, Pickford, Marshall, Ellison, and Miller.

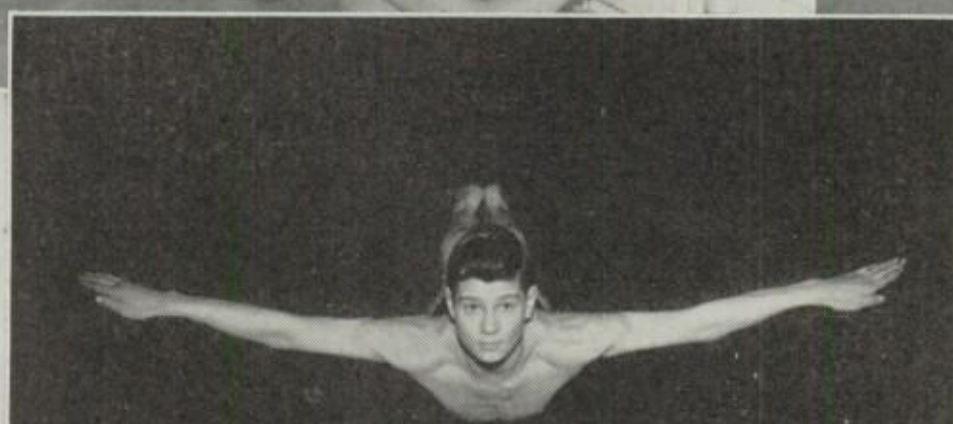

At the end of five games this season, the team has won 3 and lost 2. Beating Clark twice while dropping two out of three to city rival Tech, the hard fighting team won second place honors for Hammond in the city meet. Out of 14 teams that entered the conference, the squad won an eighth place ranking.

With only 3 returning lettermen, the mermen, coached by Hanley W. Staley, splashed their way to a successful season's record by winning 8 meets and losing 2.

The splashers placed second in N.I.H.S.C. conference, Horace Mann taking first and South Bend third.

Place winners in the conference were as follows:

Joe Pellar—40 yd. free style—first
Jim Toney—100 yd. free style—second
Ted Steffen—100 yd. back stroke—fourth
Jack Capps—100 breast stroke—second
Harrie Hess—100 breast stroke—third

Minor letters went to Bielefeld, Thomas, Harwood, Lennertz, Schmal, Luddy, Hartigan, Routa, Fagan, Kitchell, Parker, Mgr., Dave Taylor.

Freshman swimmers were Petrie, V. Jones, Meggers, and Hunter.

Sprinters, Track Team Finished Successful Season

Coach King's sprinters finished a successful season of four wins out of nine possibles.

The team, led by Ramsey, Frye, Molen, and Dye captured the LaPorte Invitational laurels and placed second in the Hobart Invitational. The Harriers scored their best victory by winning the N.I.H.S.C. championship.

The cinder track will not see some of the old faces next year. Three seniors—Roy Frye, Bob Mitchell, and Bob Juscik graduate. Returning cinder men are Ramsey, Molen, Dye, Stevens, Capps, Lennertz, Pangrac, and Foreman.

Mike Maciensi and Paul Beckman are managers.

TRACK

The Hammond track squad coached by "Whitey" Wonsowitz carried Hammond colors to Fort Wayne North, where they were defeated 51½ to 48½ by a highly experienced team.

In the city indoor meet at the University of Chicago Hammond took the meet with 78 points. Clark was second with 35 and Tech was third with 34 points.

Hammond collected 70¼ points against 29¾ for Elkhart in a meet at Notre Dame.

Eight records were smashed and two tied at the Purdue Fieldhouse when Hammond High won the second annual Hammond invitational indoor track meet. The Wildcats edged out Gary Froebel 51 - 44 6/7.

Bob Mitchell's half mile and mile relay runs cinched the meet and broke the old record set in 1944. Records tied and broken by Hammond were in the half-mile relay with a combination of Hanock, Bogielski, Grindle, and McClendon; Dick Dye tied the 60 yard high hurdles mark, while Napoleon McClendon tied the low hurdle mark, beating Stroud of Gary, former first hurdler of the state.

Even cold winds failed to hamper H.H.S.'s

thinlies to repeat past victories in N.I.H.S.C. championship competition by trimming Gary Froebel 73½ to 35½ at Clark field.

Winning eight events and sharing first place in another, the Cats had their fourth triumph in five starts against a Froebel squad.

The next Friday the Hammond squad raced to their fifth victory and the city championship crown. The thinlies scored in every event amassing a total of 74 points to Tech's 45 and Clark's 43.

The Wildcat 880 yard relay squad of Bogielski, Grindle, McClendon and Hanock covered the distance in 1:35 lowering the season's previous "best" of 1:35.2, set by Fort Wayne North Side.

Six records were smashed and another was tied when Hammond High won the Goshen High School Track Carnival in which 14 major prep schools entered teams.

Hammond High rolled up 55½ points to edge out Gary Froebel, second place winners with 51½ points. South Bend Central was third and three teams Fort Wayne South, Muncie Central and Fort Wayne North tied for fourth place.

The Purple dominated the East Chicago Relays for the sixth consecutive time with a total of 70½ points. Gary Roosevelt took second with 47½ points, nosing out Gary Froebel which had 47 points. Out of six records, Coach Whitey Wonsowitz's crew set one of the six new records by chalking up a time of 3:55.8 to smash a H.H.S. record of 3:66.6 set in 1942.

The thinlies again romped to an eighth straight win of the season by routing East Chicago Washington 78½ to 30½ at Roosevelt field. The Wildcats captured nine out of a possible 13 first places.

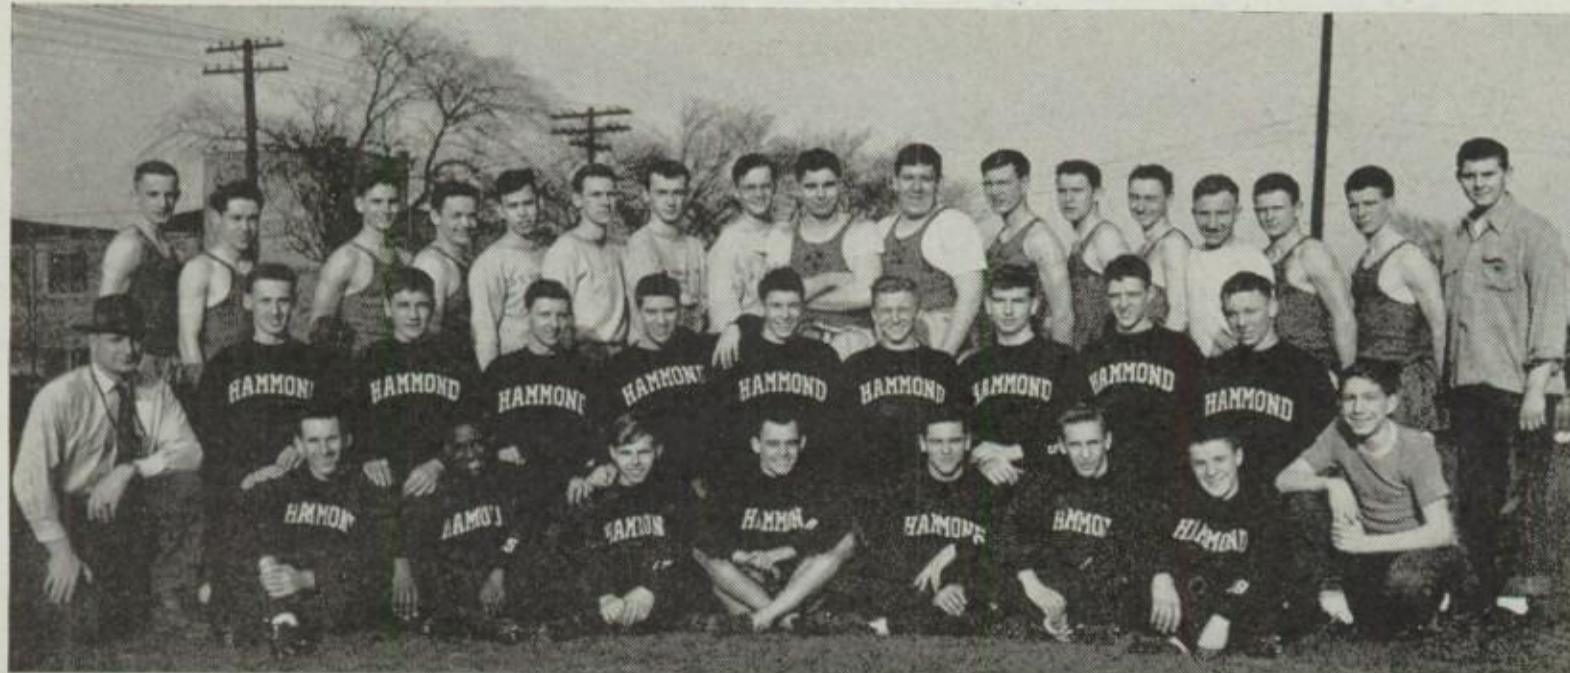

In winning their third track crown Hammond failed to capture a single first place to set a new conference low. The Wildcats registered only 34 points, the lowest total in N.I.H.S.C. Meet history.

Hammond High rolled up 61 points to lead its nearest opponent by 16 points, and qualified 49 athletes from all the schools, for the conference track meet at Mishawaka. Among those from H.H.S. were Hanock, 100 yard dash and the 220 yard dash; McClendon, 220 yard hurdles; Mitchell, 440 yard run; Tull, 120 yard hurdles; Dye, 120 yard hurdles; Molen, half mile run; Allen, pole vault; Bogielski, pole vault; Blair, high jump and broad jump, and the mile relay team, composed of Andres, Meyers, Magda, and Mitchell.

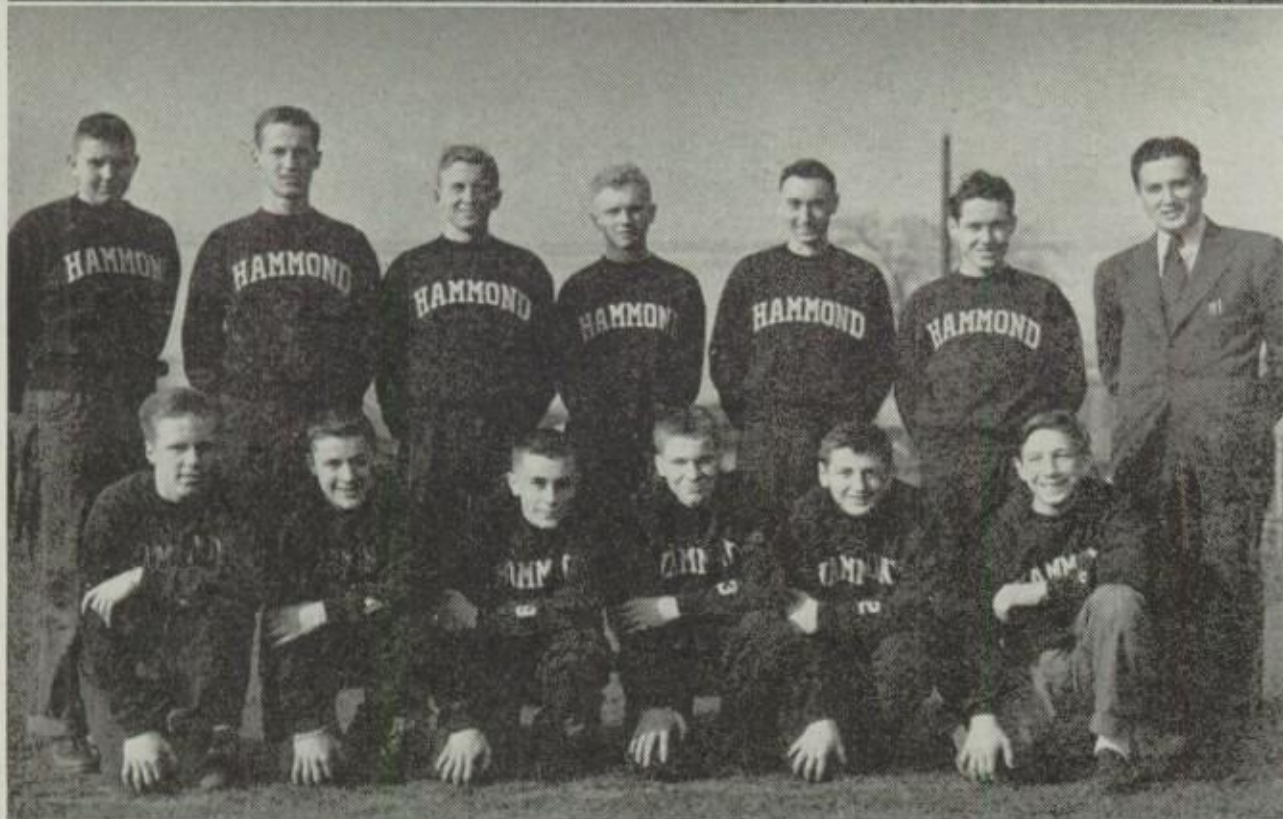

After kicking cinders in the eyes of the conference contestants, Hammond bowed to strong Gary Roosevelt 57 to 52.

Hammond qualified 20 to win the sectional meet.

The Purple won a second place in the state meet with 25 points, behind Anderson with 30.

Girls' Sports

Hammond High has been an enthusiastic booster of girls' sports during the past years. The Girls' Athletic Club has always been a factor in stimulating interest in many sports, and this year the law providing for two year's compulsory physical education has been an added help in introducing girls, who might not otherwise elect the subject, to the fun in the gym classes.

During the months of September, October, and November, volleyball was queen in the girls' gym. The classes of each period held tournaments within the group. Then teams, made up of the best players in each class, challenged similar teams from other periods, and the challenges were accepted with enthusiasm. By means of furious after-school battles, the fourth team proved the best.

However, the high spot of the volleyball season was the interclass tournament held just before Christmas vacation. The seniors and sophomores were eliminated at the outset. The freshmen fought hard but were nosed out in the final game by a once defeated junior team. The members of the championship team were Holloway, Walls, Lafferty, DeLaney, Mulholland, Pickett, Winner, Gibson, Nisle, Canady, Cauthon, Conyers, Black, Fandrei, Mysack, Wright, and Jones.

The frosh were Zizoff, Burnett, Alexander, Sharbak, Keith, Kosanke, Sheely, Volkman, Reed, Ward, Chasteler, Baugh, and Thomas. The sophs who handed the juniors their only defeat were Robinson, Korellis, Bickel, Eberle, Ashby, Taylor, Carras, McKay, Therrien, Hinesly, and Ersham. The luckless senior team included Smith, Sargent, Barker, Berger,

Haase, Sabolsice, Pozdol, Walker, Rinne, Krieger, and Jones.

Out of those players the outstanding ones were chosen for the varsity volleyball team. The varsity team no longer plays any games, but it is an honor to make the team and all the players try their best with that in mind. Wright, Mulholland, Nisle, Burnett, Alexander, Ashby, Taylor, and Sargent are the girls who were elected to the varsity team.

In the days when all Indiana thinks, talks, eats, and sleeps basketball, the excitement runs high in the girls' gym. This year was no exception, for the interclass basketball tournament was held as usual. The athletically inclined juniors also won that championship, but it was far from an easy victory. The seniors, who were defeated by the champs in their first game, fought back to give the juniors a bad scare in the final game. The game was an overtime affair in which the final score was 32-30.

The sophomores who lost two games immediately were Brink, Burnett, Hinesly, Carras, Korellis, Micenko, Wilton, Williams, and Winkler.

The freshmen who were good but just too little included Chasteler, Keith, Koval, Sharbak, Sheely, Tanasijevich, Thomas, Volkman, and Zizoff.

The seniors who "almost won" were Barker, Berger, Hill, Raimey, Sargent, Storm, Studer, Smith, and Staniszewski.

Black, Fandrei, Holloway, Lafferty, Mulholland, Mysak, Nisle, Wright, Simon, and Rice made up the championship team.

Those picked for the varsity team were Lafferty, Nisle, Wright, Rice, Hill, Studer, Smith, and Staniszewski.

Ping-pong, formally called table tennis, was the main sport during April. The gym classes practiced furiously for about a week, and then paired off for the doubles tournament. After numerous skirmishes with the wooden paddles, a team in each class was determined. The first hour winners were Robinson and Kotso; the second hour super team was Warber and Bell; Kennedy, last year's singles champ and

Stepancevich were tops in third hour; Gibson and Rhind walked off with fourth hour honors; top paddle wielders of sixth hour were Sargent and Leek; and Sharbak and Lafferty won in seventh period. Robinson and Kotso, Warber and Bell, Gibson and Rhind were eliminated in the semifinals. The winners were Kennedy and Stpancvich, who had an easy time of in the finals, despite some difficulty on the way.

HAMMOND HIGH'S FIRST FOOTBALL TEAM—1900 - 1901

Even from the earliest records Hammong High athletes have proved themselves on the field of competition. Very few schools can boast the achievements and sportsmanship of their teams or accomplishments of the individual players as Hammond High. In the following we will attempt to touch upon the high points of Hammond High sports.

FOOTBALL

1900—The football team managed to win 1 game out of 3 without the aid of a coach.

1901—The same conditions prevailed in this year also, although the team lost 4 and won 3.

1902 to 1915—No records of games played in these years.

1916—Football started to pick up by winning 3 and losing 4.

1917—Hammond won for the first, but not for the last time, the Northern Indiana Football Championship. The season ended with Hammond winning 4, losing 2, and tying 1.

1918—Because of no coaching and the "flu" ban, the team was successful in winning only 4 out of 7 tries.

1919—During this year the football team was undefeated by winning 6 and losing none.

1920—The team had 4 losses and 3 wins for a fairly successful year.

1921—was a slump year for the team. The team lost every game of the season.

1922—Team started picking up again in 1922 by winning 3, losing 2, and tying 2.

1923 - 1924—Both years the team won 5 and lost 2.

1925—This year Hammond High had 4 wins, 2 losses and 1 tie.

1926—We had a rather bad year with 1 win, 3 losses and 2 ties.

1927—The squad won 1 and lost 3.

1929—This year the team had another bad year. The final total was 3 wins and 6 losses.

1930—The season ended with the wins and losses evenly balanced at 4 each.

1931—We had a good year. 7 wins, 1 loss, and 1 tie.

1932—The season's total of 6 wins and 2 losses didn't do justice to the team. Hammond High scored 185 points and three opponents had 25 points for the year.

1933—The Hammond Wildcats of 1933 inaugurated the new electric lighting system on the football field and won 5 games, lost 3 and tied 1 to finish with a rating of .500 percent.

1934—The Purple and White were city champs and ended the year with a record of 4 wins, 5 losses and 1 tie.

1935—With only a one point defeat maiming a perfect record the Huffine machine soared to new heights by winning 9 and losing 1. The team was picked as best in the state.

1936—The Wildcats' of 1936 motto was drive, strength, power, and spirit and they proved this by winning 8, and losing only 2. Our own Julius Papais was instrumental in crushing Lew Wallace with an 80 yard run for a touchdown.

1937—Wildcats won State Championship due to the brilliant defense plus powerful offense. Julius Papais, co-captain, placed on all-state-team. He made an individual record of ten touchdowns for a total of 60 points. Hercules Bereolos and Ray Frankowski were rated the best pair of prep guards in the nation.

1938—Another brilliant record of 7 wins and 2

losses. Wally Ziemba, giant purple tackle, rated on the 1938 all-state football team. Chintis was named on the second squad and Tuskan on the third squad.

1939—The Purple gridders were defeated 4 times out of nine games. The season was fairly successful but nothing to brag about.

1940—The pigskin parade plunged to 11 wins and 1 defeat.—A season to be compared with the champion team of 1937.

1941—The gridders happily trampled their opponents eight times but were trampled only once. The season was eminently successful.

1942—The Purple eleven had to have a lot of team spirit to swallow a season total of only 4 wins and 5 losses. But they had the last laugh by beating Tech 30-0.

1943—A triumphant march of 5 straight wins was shattered by 4 straight losses. Several injuries stopped the Wildcat drive.

1944—Hindered by pre-season injuries the Hammond squad was able to only win 2 and lost 6 and tied 1.

BASKETBALL

1906—Hammond ended with 10 wins and 4 losses under Coach Weinland. Tilton, the star scored 102 points, more than three times as many as any other player. The team met and defeated all the best aggregations of Northern Indiana, and so rightly claimed the championship.

The girls also had a very good team coached by Mr. Spohn. In the words of the dean, "Professor Spohn coached and due credit should be given him for his earnest and efficient work."

1917—Hammond's standing in the Lake County Basketball League was third with a percentage of 500. But we outscored opponents 313 to 267 in total points. Luther Ellis was the coach.

1918—Hammond's 6 and 5 record gave them second place honors in Lake County. This year proved to be a financial success. This was the first year a profit was made. Walter B. Hess coached.

1919—Under Coach Veenker with only one veteran returning a small Hammond team won 4 while losing 7.

1920—Hammond made a good comeback with 10 wins and 5 losses. Most of the games were hard fought with the exception of a 73 to 3 Hammond victory over Hobart and a 28 to 7 trouncing of East Chicago.

1921—A hard fighting Hammond team brought home 8 wins and 9 defeats under Walter Hess.

1922—We were good in '22, but the other teams were just a little better as Hammond won 6 and lost 8.

1923—This year was spent building up a team for next year. We finished the year with 6 wins and 7 losses.

1924—For the first time one of our basketball teams reached the semi-finals in tourney play. Our playing year was poor with 5 wins and 12 losses. The coach was E. Wilson.

1925—The first Hammond High - Hammond Tech basketball game was played this year and although Hammond won only 6 and lost 12 we were more than enough to beat Tech 28 to 16.

1926—A young and inexperienced team lost 13 games while winning 7 but the squad showed a fighting spirit under Coach Frank Reid.

1927—This was a bad year with a record of 18 losses and 4 wins. But we can't win all the time.

1928—All games were forfeited until February 25th because of a mistake in eligibility. We won only one game during the year.

1929—Things began to pick up on the basketball floor as Hammond came through with 12 wins and 9 losses. Hammond met Tech for the second time and for the second time Tech fell. The game ended Hammond 42 to 16.

1930—Hammond lost only one game by more than five points. Most of our games were 1 and 2 point defeats. The record stands at 11 wins and 9 losses. Tech was still the underdog with a 43-36 defeat handed them by Hammond.

1931—Everything but the school itself was thrown at our opponents but only a 5 and 9 record could be brought in. Even so Tech was the low man in the two games they played against us. Although we won only 8 while losing 12, Hammond won its first sectional tournament. Our 6 game winning streak was stopped when Tech won her first game 21 to 19. This didn't stop Hammond as we won the second meet 37-19.

1932-33—A grand total of 23 wins and 6 losses was turned in by Hammond and two more wins over Tech were racked up. Hammond traveled the rocky road to the finals of the state tourney but were turned back by a very hot Indianapolis Tech team 30 to 20. No brotherly love was shown in this tourney. I say brotherly love because the coach of Indianapolis was the brother of our coach, Spud Campbell.

1933-34—Hammond finished the year with 22 wins and only 7 losses to take the record in the conference, become sectional champs and to add two more victories over Tech to the growing number. This was the third consecutive sectional title. No other team had ever before won the sectional even twice in a row.

1934-35—Completing one of the most successful seasons ever known in the history of Hammond High, the Purple quintet finished the season with a record of 23 wins and 6 losses for a .778 percentage. Tech fell 2 out of 3 games to the blazing Purple and White style of play. The team netted its fourth consecutive sectional Hammond's "B" team also came through with the Northern Indiana Championship. Chet Kessler was made head basketball coach after the death of "Spud" Campbell in March 1936.

1936-37—This year the Cats finished the conference by winning 15 out of 22 games. The new Hammond Civic Auditorium took the place of the Masonic Temple for playing of the sectional and regional.

1937-38—Finishing the year with 17 and 4 record the Hammond Wildcats banged their way into the state finals. Boys like Scott, Sobek, Ziemba, Hasse, Willis, Vidakovich, Jens, Mygrants, Petrick, and Chintis gave their all only to be turned back by Ft. Wayne, South Side. Bob Mygrants won the Gimbel award, a medal given for good sportsmanship and all around playing ability. Mygrants and Sobek made the all state team. The final game ended 34-32 with the winning two points being made in the last 26 seconds of the game.

1938-39—Wildcats blew the lid off the basketball season with a 20 and 8 record. They captured the sectional in three hard fought games. A center by the name of Scott helped the Hammond cause along with his 6' 8" of player. Hammond also won the Holiday Tourney by

defeating Vincennes, Tech, and Frankfort.

1939-40—The Purple splinter boys won 7 out of 20 games this year. This year's boys know only too well how to be good losers. Most of their losses were 1 to 5 point losses.

1940-39—10 out of 20 games marked the Hammond Wildcat record for this year. While in a slump our hard-wood boys lost 6 games in a row by a total of only 18 points. This year produced a 220 pound center by the name of Prymuski.

1941-42—This year's hardwood campaign netted an 11 and 8 record. We amassed a total of 635 points against our opponents total of 597.

1942-43—A hard fighting Wildcat team brought in a 10 and 8 record for an over-all good performance.

1943-44—Hammond Wildcats hit the high road once more. They took the city championship and captured the sectionals with a new coach, Bob King. A very highly favored Washington found that Hammond could play some very good basketball. Washington lost the final game of the sectionals to the Wildcats 32-26.

1944-45—A very powerful and well-balanced team battled their way to the semi-finals at Lafayette. No one could say that Hammond has ever produced a smoother or more spirited team. Hammond's year record was 20 win against 7 defeats.

Now Hammond High looks forward to greater basketball and all other sports in the coming years.

BASEBALL

1916—The Hammond High School baseball team, by virtue of her record, won the undisputed claim on both Lake County and the Northern Indiana championship. Coach Jim Levering led the team to an undefeated season.

1917-18-19—All games in 1917 were cancelled because of the fact that a greater part of the team had enlisted in the Army.

1927—Baseball was again added to the school curriculum. Coach Huffine became coach here after leaving Wabash and the Detroit Tigers.

1928—Coach Huffine's "kitten wonders" pulled through the "28" season with a fairly creditable record despite the inexperience of the squad.

1928—The diamond sport's season can be classed as on of the best that the Purple and White ever had. Winning six out of twelve games played, the Cats attained the first division berth in the conference for the first time.

1930 The Wildcats, coached by the well-known professional Spud Campbell, trounced Tech, Lowell, Whiting, and were beaten only once and that was by Lowell. The team went on to beat Washington of East Chicago for the conference championship.

1937—Carl Huffine's baseball team won two and lost six.

1939—Baseballers looked experienced and won two more games than they lost.

1940—The baseball team defeated Valpo, lost a one-sided decision to Roosevelt and Tolleston and lost close games to Whiting and Washington.

TRACK AND CROSS COUNTRY

Our first year of track gained us the third position in the Lake County track meet. The team also took second in the University of Chicago First Annual Inter-Scholastic Meet. Records that were broken were:

Hansen — 220 yd. dash 75 to 74.7

Ruland — raised high jump 5ft. to 5ft. 1in.

In 1905 the track team won:

Northern Indiana Athletic Banner

Indiana State Meet

Lake County Track Meet

The conference season ended with 10 wins and 4 losses.

Between the years 1905 and 1916 the track team was small and poorly balanced although we succeeded in winning a few field events. In 1917 and 1918 the story was just about the same although we won the Lake County Track and Field Meets. Potts of Hammond received a silver medal for individual honors in the Northern Indiana Track Meet of 1918.

The 1919 track team proved to be the undefeated champions of the Lake County Track and Field Meet at Gleason Park, Gary, and the Northern Indiana Track and Field Meet at Notre Dame at South Bend.

Emerson and Hammond tied for first place honors in the Lake County Track and Field Meet of 1920, both teams making 33½ points. We also placed second in the Northern Indiana Track Meet.

1921 proved unsuccessful for track, and in 1922 the team was nosed into second place by Emerson of Gary in the Lake County Track and Field Meet and the Northern Indiana Meet, Emerson placing first both times.

Third place honors were taken in the 23rd Annual County Track Meet of 1923, and second place in the Northern Indiana Track Meet.

The years 1924 to 1930 passed with few wins and many losses. 1931 showed a little better by taking fifth position at Notre Dame Invitational Meets; third in Quadrangular Meet including Horace Mann, Roosevelt, Hammond and Washington; first in Triangular Meet including Hammond, Washington, Tech; first in Triangular Meet including Hammond, Blue Island, and Thornton Fractional; seventh in the Northern Indiana Conference.

During the very successful 1932 season the track team took fourth in the State Indoor Meet, second in the sectional, and third in conference, and seventh in the State Outdoor Meet.

At the Gary Invitational Indoor Meet at Notre Dame in 1932 records were broken:

Raymond — 880 yd. run - time 2:04:6;

Sprint Medley Relay — (Cook, Steetz, Baldwin, Raymond) - time 3:50:3.

Gary Relay Records were:

Raymond — 880 yd. - time 2.07

High Jump — Baldwin 6' 1 7/8"

Two Mile Relay — (Sitko, Van Natta, Raymond) Time 8:35;

Sprint Medley Relay — (Cook, Baldwin, Sheetz, Trutt) - Time 3:40

Conference records were:

Raymond — 880 yd. - Time 2:03:6

Baldwin — High Jump 6' 1 5/8"

State records were:

High Jump — Baldwin -6' 7/8"

The Medley Relay Team of 1933 consisting of Cross, Mc Kay, Bunger, and Trutt shattered the old state record by covering this distance in 4:52.4 at the Central Intercollegiate Indoor Relays. The team also placed fourth at the State Indoor Meet. The Cross Country Team of the same year finished a successful season by winning 3, losing 1 and tying 1 duel meet. They also finished fourth at Horace Mann Invitational Meet and second in N. I. H. S. Conference Meet.

The cinder scrapers of the 1934 season won the Conference Cross Country Championship. York set a new cinder record of 9:53 for the two mile run. The Wildcat trackmen opened the season by winning the Notre Dame Relays, and finished by placing third in State Indoor Meet.

Under the supervision of Coach Easton the Purple and White Cross Country squad of 1935 went through an undefeated season of seven wins and no losses. They placed second in Conference Meet at Mishawaka. The same conditions existed in 1936 when the cross country team ran through the season with no defeats, but this time they won the N. I. H. S. C. Cross Country Meet and Mishawaka finished third.

Track team of 1937 really went to town winning Sectional title, State Championship with 29½ points on a soggy track and Gary Indoor Meet at Notre Dame. The team of Arve 440, Dell 220, Taube 220, Labotka 880 yd. medley broke the state record. Their time was 3:48. The cross country team of the same year trounced all comers. The cross men triumphed at the State Cross Country Meet at Mishawaka; time 10:50:11.

Purple Harriers claimed the Indiana State Crown of 1938. Griffith of Hammond took the Individual State Title with time of 9:57 for the two mile course. The spikemen won Second State Indoor Title and swept Sectional trials by scoring 85 out of a possible 135 points.

Coach Easton's men of 1939 finished a top season by winning every meet and winning five championships. They won the State Indoor Meet, Cross Country Meet, Conference Championship, Kokomo Relays, and Muncie Relays. The thinlies copped second in State and first in Conference.

The Purple placed second in the N. I. C. C. M. of 1940. Cross Country squad placed sixth in conference. Records broken that year were Edwards—State Record Broad Jump 22' 8½" Kokomo relay mark of 22' 10½"

Track squad won second in state and East Chicago Sectional and Cross Country team finished the season with a record of seven wins in eight dual meets. They placed second in Conference Meets.

The Harriers of '42 took top honors in the city and sectional meets and second in Northern Indiana Conference Track Meet, while their brothers of the Cross Country Squad won eight out of eight dual meets plus the Clark Invitational Meet.

A grand march of ten wins and no losses was the record set by the track squad of 1943. South Bend Invitational Meet, Purdue Indoor Field Meet, Western Division Conference Trials, N. I. H. S. C., Sectionals, third place at Indianapolis, Fourth Annual Roosevelt Relays, and Triangular Meet.

Wildcat thinlies won the 1944 N. I. H. S. C. Invitational and East Chicago Relays and the Triangular Meet. The inexperienced cross country squad of that year won only two of six dual meets.

SWIMMING

1923—The first year of participation in this sport exceeded expectations considerably. Coach Nesbit's purple tankmen snowed under four competitors and swam off with the Lake County Swimming Championship.

1924—The Mermen of this year competed in four dual meets. Two of these were held with Emerson. In the Lake County Meet Hammond fought themselves into second place.

1925—Only one defeat was chalked up against the swimming team of this year. Those teams beaten were

South Bend, Emerson, East Chicago, Froebel, and Whiting.

1926—The aquatic team of 1926 was piloted very successfully by Coach Nesbit, although they won only three meets out of six.

1927—Handicapped by lack of a coach, the Hammond splashers had a fairly successful season.

1928—The Purple splashers didn't raise any tidal waves in the Northern Indiana competition but they deserve plenty of credit for what they accomplished under the conditions surrounding their training.

1929—This year's team was the first team in the history of Hammond High School swimming to finish "ahead of the game" financially. Coach Halsey lead the team to five wins, one tie, and three losses

1930—Hammond's fish with Coach Scott coaching the tank aggregation finished fifth in conference and fifth in the State. They won three dual meets out of seven.

1931—The mermen splashed their way up to third in the Conference Meet at Whiting.

1932—The Wildcats tied Washington for third place in the Thornton Fractional Invitational Meet. Hammond had the enviable record of having lost only one conference meet in the last two seasons.

1933—Losing only one conference meet during the season, finishing second in the conference meet, and finishing second downstate, Hammond swimmers ended the greatest year in the history of this sport. Meyn, back stroke, swam the 100 yds. in 1:12:4, establishing a new state record. The old record was 1:14.4.

1934—After winning all of their dual meets except one, the Purple and White tankmen, coached by Mr. Scott, went on to win the Northern Indiana Conference Championship and to place third in the State Finals.

1935—Scott's tankmen ended the season in a blaze of glory by copping the conference and state title in consecutive order.

1936—Wildcat swimmers finished third in prep state meet with Horace Mann and Central of South Bend tying for first.

1937—Tankmen emerged at second position in N. I. H. S. conference swim, and second in annual state swimming championship held in Civic Center pool. Jim Cook won fourth in the state diving championships.

1938—The mermen coached by H. W. Staley swam a seasonal win of ten and one defeat. They placed second to South Bend Central in the Conference Meet and eked out a second in the state meet.

1939—Mermen showed both speed and endurance this year by winning second position in the conference and capturing first place laurels in the State Meet. The coaching was done by Mr. Staley.

1940—Swimming their way to the highest honors in the state, the Wildcat mermen ended their splash season with nine victories and five defeats, second place berth in the conference meet, plus the highly coveted State Championship for the second year in a row.

1941—Hammond captured the State Championship title for the third consecutive year, besides winning second in the conference meet held at South Bend. The season ended with two losses and nine wins.

1942—Despite drawback of change of coaches in mid-season and lack of practice, the tankmen won their four dual meets, the conference, and their fourth consecutive State Championship.

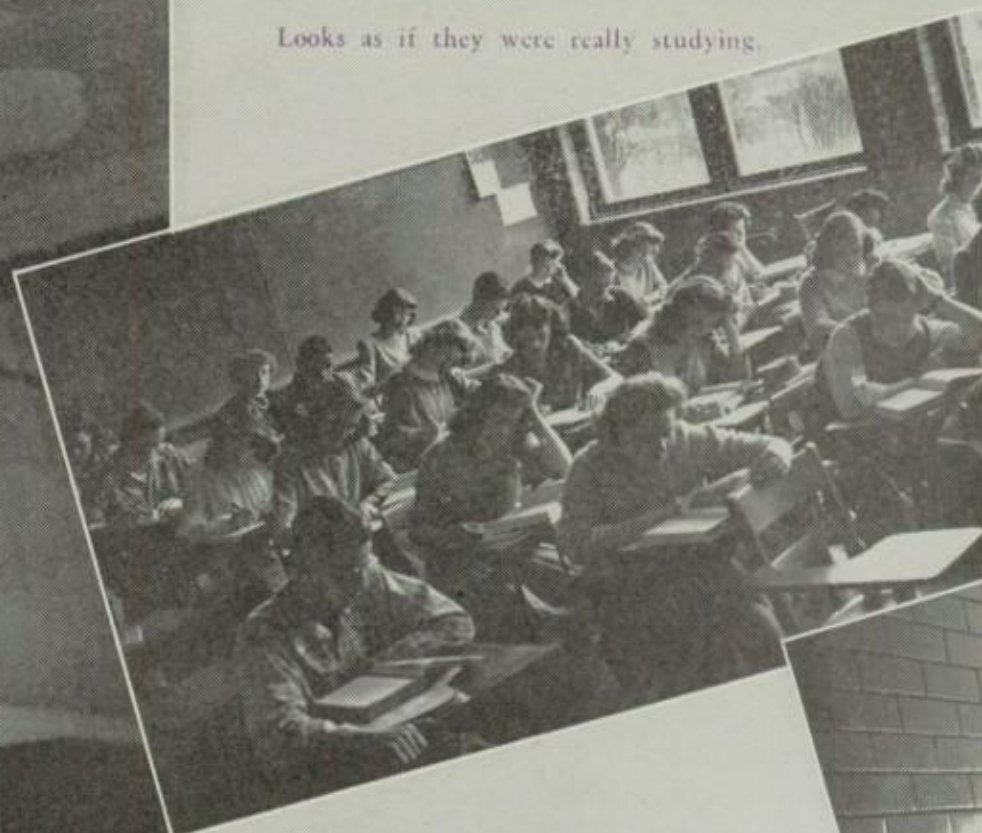

1943—Splashers, State Champions of last season

John W. Wauro

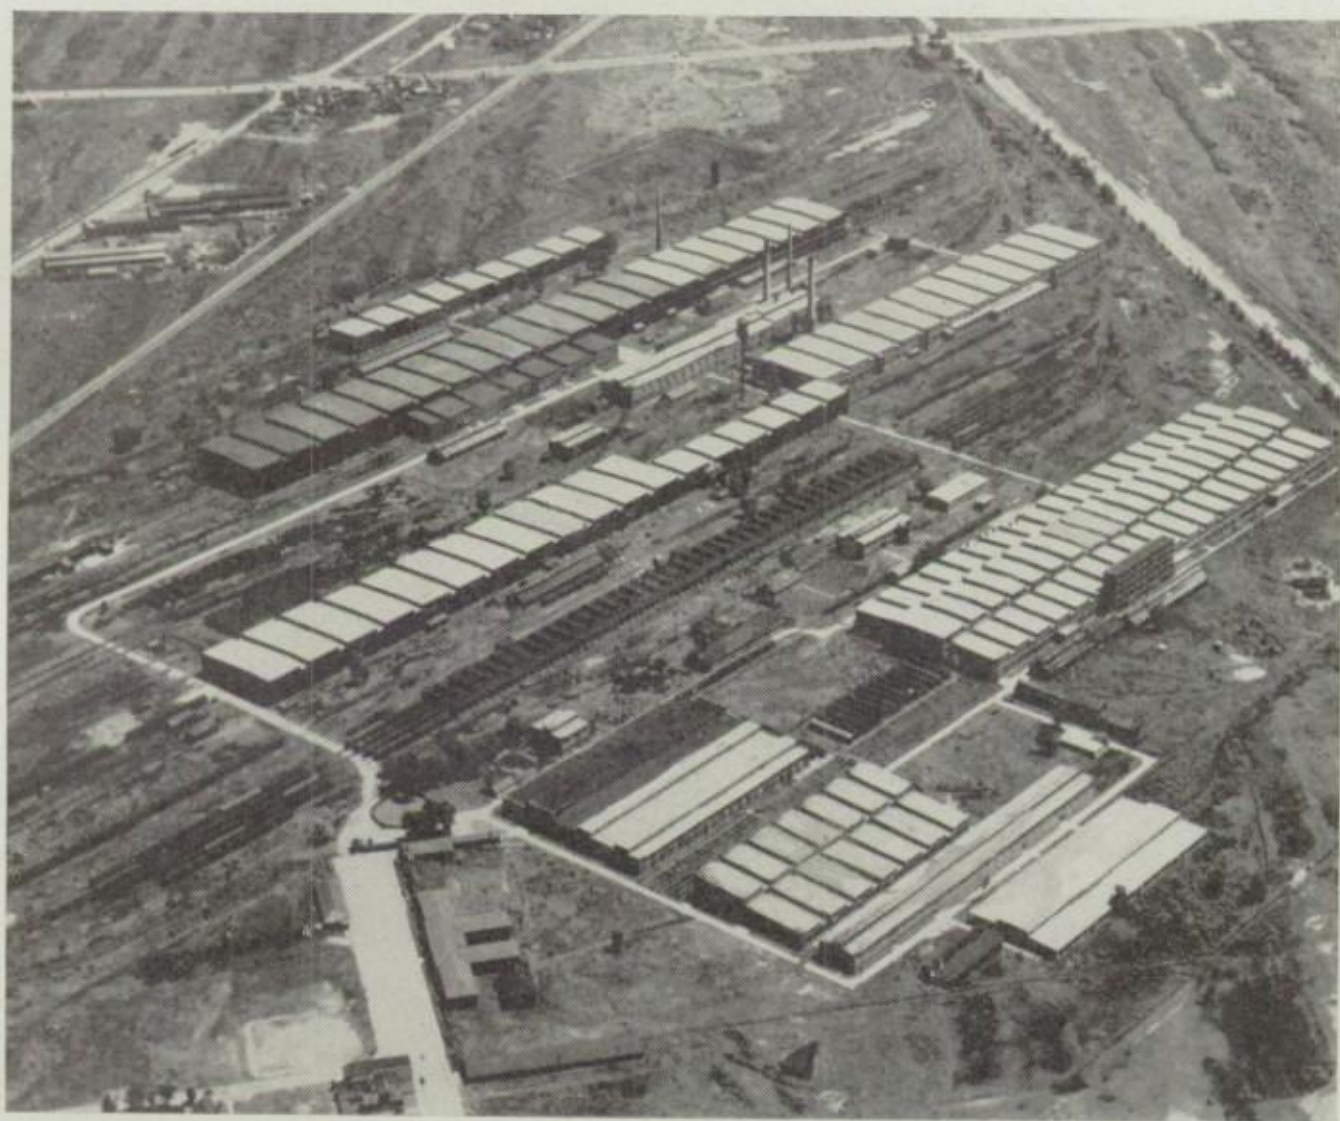

John W. Wauro—Class of '42, who is now a member of the staff of Bodie Studio—returned from his duties with the 5th Air Force in the South Pacific on December 8th, 1945, being overseas for 29 months where he served as official photographer with the 20th Combat Mapping Squadron.

"Johnny", as he is familiarly known, is responsible for the photographic record of your clubs and activities in this year's edition of the Dunes.

Leaving Hammond in February of 1943 his job with the 20th took him to many far away places.

In New Guinea he volunteered for an Aerial Evaluation Liaison Unit—this was to take him as a Combat Photographer into the invasion of Morati, then on to be one of the first men to land in the invasion of Leyte.

Johnny then returned to his original outfit the 20th of which he is justly proud—for they were an outstanding outfit, having twice received the Presidential Unit Citation—the first for outstanding Aerial Photography—the second for having sighted the Jap Fleet during the invasion of the Philippines.

CONGRATULATIONS,
GRADUATES!

DESTINY Depends on Your Efforts!

To The Graduates of 1946:

Even though the fighting is over, the world you're going into is full of headaches. You didn't create the headaches, but the job of curing them will be yours nevertheless—whatever sacrifice it means, make it cheerfully. Your America, the land of opportunity that made your life and education possible, needs help—your help!

we're COOKIN' with Infra- Red

In photo-engraving as in any industry pioneering and developments are brought about by the leaders in the field.

In 1945, Willard Louis Wheeler, president of the Electro-Matic Engraving Company brought about an innovation in photo-engraving . . . The Electro-Matic Infra-red Burn-in Oven. This new process, instead of frying the plate, bakes it "in," leaving a finer, more life like illustration on copper to give you the better quality which this invention affords.

This oven is accepted nationally for its excellence and acclaimed as the best development in photo-engraving in a decade. It was used along with all our other modern equipment in the Electro-Matic plant in the production of the fine photo-engravings in your yearbook.

You can be sure of intelligence in handling of yearbook problems, and the ultimate in reproductive values at Electro-Matic.

We're cookin' with Infra-red!

A WORD OF APPRECIATION

We are deeply grateful to the Alumni of Hartnett College whose splendid records in business have made possible our growth and success as business educators. The distinction our young men and young women have brought to us is greatly appreciated.

We invite into membership with us other young men and young women who may wish to follow in the steps of those who have achieved success and happiness in preparing for their life's work in our school.
